Changes to the Fund and further information (continued)**Continuous disclosure**

Fidante Partners Limited, as responsible entity of the Fund, is subject to continuous disclosure obligations that require us to make material information available to investors. You can obtain a copy of the Fund's continuous disclosure information by visiting our website www.fidante.com.au. A paper copy of any updated information will also be given to you, on request, without charge.

Notes to the statement**Unit prices**

The opening balance is the balance brought forward from the previous period. The closing balance is calculated using the withdrawal unit price applicable on the last day of the period, less the amount per unit of any distribution paid.

Return on investment

The return on investment includes the change in market value of your investment plus gross distributions reinvested and gross distributions paid out for the period. The return on an investment may differ from the performance of a fund because the former takes into consideration any additional transactions and timing differences (e.g. investments, withdrawals, etc) and the effect that they have on an investment return.

Additional explanation of fees and costs

Any fees deducted directly from your investment are detailed in your investment summary for the period.

Some fees and expenses such as the management fee and fund expenses are accrued and deducted from a common fund. These deductions are borne indirectly by investors and affect investment returns. An estimate of the amount of these fees and expenses is detailed in 'Total estimated fees paid for the period'.

In addition to the fees shown in this statement, where you have bought or sold units in a fund a buy/sell spread may have been applied. The buy/sell spread reflects our estimate of the transaction costs expected to be incurred in buying or selling a fund's underlying assets. Please note that the buy/sell spread is not a fee paid to us, it is paid to the fund. The buy/sell spread, however, is an additional cost to you.
