YOUR FUND'S LONG TERM PERFORMANCE

This graph does not relate to your investment. It shows the growth of \$10,000 invested in our funds over 5 years based on actual historical returns, assuming all distributions are reinvested and after taking into account fees. Past performance is not an indicator of future performance.

Only funds with at least 5 years worth of performance data are shown here.

YOUR FEES AND INVESTMENT RETURNS EXPLAINED

1 Your investment return

This represents market movement and any distributions you have received for this period.

Fund performance information is detailed in the Helm™ newsletter. This may differ from your personalised investment return.

2 Indirect costs of your investment

This approximate amount has been deducted from your investment and includes amounts that have reduced the return on your investment but are not charged directly to you as a fee.

3 Total fees you paid

This approximate amount includes all the fees and costs which affected your investment during the period. These are fees we deducted from the fund.

4 Accrued rebate amount

The amount shown as 'Total fees you paid' was calculated using the standard management cost rate set out in our Product Disclosure Statement and is the approximate amount we deducted from the fund during the period in respect of your investment. You will be entitled to a rebate if your account balance, within a fund, is greater than \$50,000. Please refer to the current Product Disclosure Statement for more information. Rebates are paid in a subsequent period as additional units and have been shown here so that you can see the rebate you will be entitled to.

5 Adjusted total fee you paid

This is the total fee you paid after taking into account any rebate you will be entitled to receive in a subsequent period.

ADDITIONAL EXPLANATION OF FEES AND COSTS

Tax

In calculating the taxable income of our funds, available tax deductions are taken into account. This means that the after-tax costs to you of investing in our funds may be less than the amounts shown above.
