Fees and Costs Summary

Indirect costs of your investment

\$812.26

This approximate amount has been deducted from your investment and covers amounts that have reduced the return on your investment but are not charged to you directly as a fee.

Transactional and operational costs

\$36.41

Total Fees You Paid

This approximate amount includes all the fees and costs which affected your investment during the period.

\$848.67

Additional Explanation of Fees and Costs

Indirect costs of your investment are a dollar value of the indirect costs incurred in the Fund (within the Fund's indirect costs ratio). These costs comprise the management fee and, where applicable the performance fee charged by the manager of the fund.

Transactional and operational costs are not fees paid by you to Magellan Asset Management Limited. Rather, they are costs incurred by and paid out of the assets of the Fund associated with the transactions and operations of the Fund. We provide periodic updates of our estimated transactional and operational costs on our website.

The fee amounts set out in this statement are inclusive of goods and services tax and net of the benefit of any reduced input tax credits claimed by the Fund.

Investment returns

This statement does not show your return on investment during the period on an individual basis as the market price at which you executed your transactions on the ASX is not provided to us. You can calculate your individual investment return by obtaining the market price of your transactions from the broker who executed your transactions.

Details of investments returns at the fund level for the last financial year and since inception are set out below.

The investment objective of the fund is to achieve attractive risk-adjusted returns over the medium to long-term while reducing the risk of permanent capital loss. Magellan reasonably considers that the fund's recent and historic performance is consistent with this investment objective.

Fund and Benchmark Performance ¹	1 Year ²	Since Inception ² Per Annum
Magellan Infrastructure Fund (Currency Hedged) (Managed Fund)(ASX: MICH)	7.97%	6.10%

¹Performance is calculated as at 30 June 2021, based on the monthly ASX released Fund Net Asset Value (NAV) per Unit with distributions reinvested, after ongoing fees and expenses but excluding individual tax, member fees and entry fees (if applicable).

²Fund inception 19 July 2016.

The Responsible Entity, on behalf of the Fund, has provided liquidity to investors on the ASX by acting as a buyer and seller of units in the Fund. The benefit (or cost) to the Fund of providing liquidity is calculated with reference to the difference between the NAV per Unit (before any accrued performance fees) and the net price at which the Responsible Entity bought or sold units in the Fund on each day. For the one year period ended 30 June 2021, the total benefit to the Fund of providing liquidity was 0.24% of the Fund's average value. The performance figures stated above are inclusive of the benefit to the Fund of providing liquidity.
