NOTIFICATION OF CHANGES TO FEES AND CHARGES

We're writing to let you know about changes to the fees and charges of your ANZ Account relating to Overseas Transaction Fees. The description of the Overseas Transaction Fee in the ANZ Personal Banking Account Fees and Charges booklet, and ANZ Business Banking Transaction Account Fees and Charges booklet is replaced with the following:

Overseas Transaction Fee

ANZ will charge 3% of the value of any International Transaction charged or credited to your ANZ account.

It may not always be clear to you when use of your ANZ account is an International Transaction, for example where the merchant or financial institution processing a charge or credit is located outside of Australia.

For the purpose of the Overseas Transaction Fee, an International Transaction is any purchase (including a purchase of items directly convertible to Australian currency cash), cash withdrawal or credit (including a refund or reversal in respect of a purchase) processed to your ANZ account:

- In a currency other than Australian currency; or
- Where the merchant or financial institution accepting or processing the transaction, credit, refund or reversal is outside of Australia; or

- Which is considered by Visa to require conversion into Australian currency (for example, where the transaction, credit, refund or reversal is submitted on behalf of a merchant to a financial institution by an intermediary that is outside of Australia).

For an International Transaction using an ATM or branch, the Overseas Transaction Fee is calculated on the value of the International Transaction and any ATM operator or branch fee that applies to the International Transaction. The Overseas Transaction Fee is debited to your ANZ account at the same time as the debit or credit is processed to your account.

There is no change to the Overseas ATM Transaction Fee. The Overseas Transaction Fee does not apply to ANZ Rewards Travel Adventures credit card accounts. In the ANZ Business Banking Transaction Account Fees and Charges booklet, the following paragraph is being deleted: For using an ATM overseas, the overseas transaction fee is calculated on the value of the withdrawal or purchase including any fee charged by the ATM operator. There is no charge for point of sale refunds.

For a list of current fees applicable to your ANZ account, see the ANZ Personal Banking Account Fees and Charges booklet and ANZ Business Banking Transaction Account Fees and Charges booklet available at <https://www.anz.com.au>

WE'RE REMINDING YOU ABOUT INFORMATION REGARDING YOUR ANZ VISA DEBIT CARD

We wanted to remind you about what to do if you need to dispute a transaction on your ANZ Visa Debit card.

WHAT YOU NEED TO KNOW

ANZ has a process in place to help you with any incorrect or unknown transactions charged to your account.

WHAT YOU CAN DO IF THIS HAPPENS

If you believe you're entitled to have the transaction reversed, you should let us know immediately. The operating rules for the Visa card scheme impose time limits for raising a dispute. Generally under the Scheme Rules ANZ must lodge a fully detailed claim on your behalf within 120 days¹. We recommend that you raise your dispute with us as soon as possible, so that we have sufficient time to get all of the information and documents ready to lodge a claim within the time limit. If you do not notify us of your disputed transaction and provide us with all necessary details in time for ANZ to meet this deadline, ANZ may not be able to assist you in having the disputed transaction reversed.

If you're disputing a transaction on an ANZ Access Visa Debit card (used either directly or with a mobile payment²) on the basis that you did not authorise the transaction then the time limits within the Visa Scheme Rules may not apply³. However, you should still let us know about your dispute as soon as you can.

If we're satisfied after an investigation that you're entitled to have the transaction reversed, we'll credit your account for the amount originally debited for the transaction.

If we're not notified in time, we may not be able to investigate your claim which means you'll be liable for the transaction made on your account. To make sure this doesn't happen, it's important to review your statements carefully.

VERIFIED BY VISA TRANSACTIONS

It's only possible to reverse a transaction that's been authenticated using Verified by Visa where ANZ are liable as explained in your Electronic Banking Conditions of Use.

ANY QUESTIONS?

If you have any questions, please visit anz.com or call us on 13 13 14 for ANZ Access Visa Debit card or 1800 801 485 for ANZ Business Visa Debit card.

¹ For transactions executed using the EFTPOS system, different time limits may apply. ² Mobile Payments available on compatible devices and eligible ANZ cards. Terms and conditions apply. Find out more at anz.com/mobilepayments. ³ In general disputes regarding unauthorised transactions will instead be governed by the ePayments Code.

If you believe you're entitled to have the transaction reversed, you should let us know immediately. The operating rules for the Visa card scheme impose time limits for raising a dispute. Generally under the Scheme Rules ANZ must lodge a fully detailed claim on your behalf within 120 days¹. We recommend that you raise your dispute with us as soon as possible, so that we have sufficient time to get all of the information and documents ready to lodge a claim within the time limit. If you do not notify us of your disputed transaction and provide us with all necessary details in time for ANZ to meet this deadline, ANZ may not be able to assist you in having the disputed transaction reversed.

If you're disputing a transaction on an ANZ Access Visa Debit card (used either directly or with a mobile payment²) on the basis that you did not authorise the transaction then the time limits within the Visa Scheme Rules may not apply³. However, you should still let us know about your dispute as soon as you can.

If we're satisfied after an investigation that you're entitled to have the transaction reversed, we'll credit your account for the amount originally debited for the transaction.

If we're not notified in time, we may not be able to investigate your claim which means you'll be liable for the transaction made on your account. To make sure this doesn't happen, it's important to review your statements carefully.

VERIFIED BY VISA TRANSACTIONS

It's only possible to reverse a transaction that's been authenticated using Verified by Visa where ANZ are liable as explained in your Electronic Banking Conditions of Use.

ANY QUESTIONS?

If you have any questions, please visit anz.com or call us on 13 13 14 for ANZ Access Visa Debit card or 1800 801 485 for ANZ Business Visa Debit card.

¹ For transactions executed using the EFTPOS system, different time limits may apply. ² Mobile Payments available on compatible devices and eligible ANZ cards. Terms and conditions apply. Find out more at anz.com/mobilepayments. ³ In general disputes regarding unauthorised transactions will instead be governed by the ePayments Code.
