# NOTIFICATION OF CHANGES TO FEES AND CHARGES

---

We're writing to let you know about changes to the fees and charges of your ANZ Account relating to Overseas Transaction Fees. The description of the Overseas Transaction Fee in the ANZ Personal Banking Account Fees and Charges booklet, and ANZ Business Banking Transaction Account Fees and Charges booklet is replaced with the following:

## **Overseas Transaction Fee**

ANZ will charge 3% of the value of any International Transaction charged or credited to your ANZ account.

It may not always be clear to you when use of your ANZ account is an International Transaction, for example where the merchant or financial institution processing a charge or credit is located outside of Australia.

For the purpose of the Overseas Transaction Fee, an International Transaction is any purchase (including a purchase of items directly convertible to Australian currency cash), cash withdrawal or credit (including a refund or reversal in respect of a purchase) processed to your ANZ account:

- In a currency other than Australian currency; or
- Where the merchant or financial institution accepting or processing the transaction, credit, refund or reversal is outside of Australia; or

- Which is considered by Visa to require conversion into Australian currency (for example, where the transaction, credit, refund or reversal is submitted on behalf of a merchant to a financial institution by an intermediary that is outside of Australia).

For an International Transaction using an ATM or branch, the Overseas Transaction Fee is calculated on the value of the International Transaction and any ATM operator or branch fee that applies to the International Transaction. The Overseas Transaction Fee is debited to your ANZ account at the same time as the debit or credit is processed to your account.

There is no change to the Overseas ATM Transaction Fee. The Overseas Transaction Fee does not apply to ANZ Rewards Travel Adventures credit card accounts. In the ANZ Business Banking Transaction Account Fees and Charges booklet, the following paragraph is being deleted: For using an ATM overseas, the overseas transaction fee is calculated on the value of the withdrawal or purchase including any fee charged by the ATM operator. There is no charge for point of sale refunds.

For a list of current fees applicable to your ANZ account, see the ANZ Personal Banking Account Fees and Charges booklet and ANZ Business Banking Transaction Account Fees and Charges booklet available at <https://www.anz.com.au>
