BSFMC PROPERTY TRUST

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the trust have been prepared on the basis that the trust is a non reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report prepared in order to satisfy the requirements of the trust deed, the information needs of the stakeholders and for the basis of preparation of the income tax return.

The financial report has been prepared in accordance with the significant accounting policies disclosed below, which have been determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial report is prepared on an accruals basis, and is based on historic costs unless otherwise stated in the notes.

The accounting policies that have been adopted in preparation of the report are as follows:

(a) *Provision for income tax*

The trust adopts the liability method of tax-effect accounting whereby the income tax expense shown in the income and expenditure statements is based on the operating profit before tax, accumulated in the trust, adjusted for any permanent differences and distribution to beneficiaries. No liability has been raised for provisional tax as it is unlikely that any taxable income will be retained by the trust in respect of the year ended 30 June 2022.

(b) *Property, plant and equipment*

Property, plant and equipment are carried at cost, independent or trustees' valuation. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the trust.

BSFMC PROPERTY TRUST

TRUSTEES' DECLARATION

The directors of the trustee company declare that the trust is not a reporting entity. The directors of the trustee company have determined that this special purpose financial report should be prepared in accordance with the accounting policies outlined in note 1 to the financial statements.

The directors of the company declare that: -

- 1 the financial statements and notes present fairly the trust's financial position as at 30 June 2022 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements;
- 2 in the directors' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors of the trustee company.
