

## **GOVERNING RULES UPDATE – VERSION 05/15**

### **TRUSTEE ACKNOWLEDGMENT RESOLUTION**

## **INSTRUCTIONS**

1. This resolution can be used by both corporate and individual trustees.
2. To be effective all trustees/directors must sign the resolution.
3. Once signed the resolution must be kept as part of the Trustee's records of the Superannuation Fund.
4. Variables are in red text.

## **BACKGROUND NOTES**

5. The SUPERCentral Governing Rules are periodically amended by way of complete replacement of the current version of the Governing Rules with an updated version of the Governing Rules.
6. The proposed amendment is effected by Super Governing Rules Pty Ltd exercising the power of amendment conferred on that company by the SUPERCentral Establishment Deed/Amendment Deed which has been signed by the Trustee.
7. Fourteen clear days' notice is given of the proposed amendment and the Trustee, if it so wishes, may decline to accept the proposed amendment by notifying SUPERCentral within that notice period. If the Trustee does not opt out of the proposed amendment, then the new version of the SUPERCentral Governing Rules will apply to the Fund after the end of the update period.
8. The formal notice of the proposed amendment was issued on 5 May 2015 and the 15 day notice period expires on 19 May 2015. Consequently the new version of the SUPERCentral Governing Rules will apply on and from 20 May 2015. With the formal notice, an information sheet was provided which detailed the changes and the implications of the changes.
9. As the updating system operates on an "opt out" basis, the Trustee does not need to notify SUPERCentral of their decision to accept the proposed amendment.
10. Despite Point 5, the Trustee may wish to record the decision to not to opt out of the proposed amendment of the SUPERCentral Governing Rules for internal management purposes.
11. This template is provided for a Trustee which wishes to formally record for internal management purposes the Trustee's acknowledgment of the proposed amendment and its decision not to "opt out".

### **3. Consideration of changes made to the SUPERCentral Governing Rules as set out in Version 05/15**

**Noted** that the information sheet identified, amongst other changes, the changes which have been made to the SUPERCentral Governing Rules which are summarised below:

#### **(a) Medical evidence for removal of trustees**

A provision has been included by which a trustee ceases to hold office if two independent medical certificates are provided by legally qualified medical practitioners certifying that the trustee is not able to manage their own affairs. The certificates are prima facie evidence of incapacity.

#### **(b) Appointment of legal personal representative as trustee in the period from death of member to payment of death benefits**

Provisions have been included to permit a member to appoint their legal personal representative as a trustee from the death of the member until the benefits of the member have been allocated and paid out. The legal personal representative must be the executor or administrator of the estate of the member.

**(c) Saving provisions for binding death benefit nominations**

A provision has been included to provide that a reference to "Trustee of Deceased Estate" in a death benefit nomination is to be taken to be a reference to the legal personal representative of the member's estate. This change addresses an issue identified in the recent case of *Munro v Munro* [2015] QSC 61, a decision of the Supreme Court of Queensland.

Another saving provision has been included to ensure that a binding death benefit nomination which nominates less than the entire death benefit will be valid and the balance of the death benefit will be allocated by the trustee to or amongst the dependants and/or estate of the member.

**(d) Release Authorities – Refund of excess non-concessional contributions**

The definition of "Release Authority" has been updated to permit the release of excess non-concessional contributions and associated earnings which relate to the 2013/14 or later financial years.

**(e) Grandfathered & other insurance arrangements**

The Governing Rules have been amended to expressly provide that insurance cover in place as at 30 June 2014 for a particular member can be maintained after that date.

Additionally, the power of the trustee to effect insurance on the lives of the members for liquidity purposes has been set out in its own provision – (previously this power was set out in Rule 5.2(c)).

**(f) Trustee Authorised Investments**

The list of authorised investments has been expanded to include Simple Corporate Bonds and exchanged-traded Australian Government Bonds. Also, the leasing power of the trustee has been modified to expressly permit the trustee to grant long term leases (in excess of the period permitted by the relevant Trustee Act).

**(g) Commutation of Transition to Retirement Pensions**

The Governing Rules have been amended to expressly provide that where the purchase price of a transition to retirement pension includes an unrestricted non-preserved component, the pension may be commuted to the extent the pension balance consists of the unrestricted non-preserved component even though the member has not attained age 65 or retired for superannuation purposes.

**Noted** that Version 05/15 automatically applies to the Superannuation Fund.

**Resolved** that a copy of the information sheet issued in respect of the proposed amendment be provided to each member of the Fund.
