Fees and cost summary

We've updated our periodic statements to reflect ASIC's Regulatory Guide 97 which aims to improve transparency around fees and costs.

As a result, your statement will now include a new section entitled 'fees and cost summary'. It's important to note that the fees you pay aren't changing. The only change is to the way the fees will be displayed.

This new section will display the fees and costs you have paid throughout the statement period. These will be divided into two categories:

- Fees deducted directly from your account
 - o This refers to fees that appear on the transaction listing (e.g. adviser service fees).
- Fees and costs deducted from your investment
 - o This refers to fees and costs deducted from the investment option directly (e.g. management fees and costs, transaction costs, buy/sell spreads and performance fees, where applicable) and are not displayed in the transaction history.
