Current as at **18 April 2023**

We currently have no concessional contributions information to display

This may be because:

- > We process all contributions through our systems to ensure they are identified correctly before we display them, and this may not have happened yet
- > Employer contributions may not be payable
- > Contributions may not have been made yet as the employer may pay super quarterly
- > The super fund (or funds) have not reported the contribution yet
- > The super fund (or funds) may be a defined benefit fund, self-managed super fund or other fund that reports this information annually and does not need to report contributions until **31 October** or later
- > Personal details held by the fund (or funds) may be different to the information we hold. Ensure [client details](#) are up to date with both the fund and the ATO
