We have recently reviewed our excess levels and your excess amount may have changed effective from the commencement of your new period of insurance as noted on this renewal schedule.

Important Information

If you answer "yes" to any of the following questions, please contact our agent or your broker.

In the last 12 months:

- (1) Has any insurer refused, cancelled or imposed an excess on any of your policies or required special terms to insure you?
- (2) Have you or any other person who would receive insurance protection under the proposed policy been charged or convicted of any criminal offence?
- (3) Have there been any changes to the insured property which might increase the risk of loss or damage?

IMPORTANT NOTICES

POLICY AMENDMENTS

These amendments should be read in conjunction with your policy booklet as the terms described now form part of your policy.

POLICY EXCESS

For each separate identifiable incident for which your policy provides cover any applicable excess will apply for each incident giving rise to a claim.

COOLING-OFF PERIOD

If you decide that you do not wish to continue with this policy, you have twenty-one days after the commencement of this insurance to request cancellation. We will provide you with a refund of premium paid, provided you have not made a claim under the policy.

Workers' Compensation insurance is compulsory if you have employees. This cover is not provided unless specifically shown on the schedule. CGU Insurance can arrange separate cover in those states where legislation permits.

IMPORTANT CHANGE TO YOUR POLICY

There have been some changes to the cover under your policy. These changes are described below in this document. This document should be read in conjunction with your policy

booklet as the terms described now form part of your policy. The following additional exclusion now applies to all sections of this policy, other than Workers' Compensation. Contamination by chemical and/or biological agents, which results from an act of terrorism. Terrorism is any act which may, or may not, involve the use of, or threat of, force or violence where the purpose of the act is to further a political, religious, ideological aim or to intimidate or influence a government (whether lawfully constituted or not) or any section of the public. We will continue to cover losses, such as property damage, from other forms of terrorism, in accordance with your policy's existing terms and conditions.

To provide some protection against increased costs, the sum insured on Buildings &/or Contents has been increased. You may select different sums insured if you wish.

Your renewal

Under the requirements of the Financial Services Reform Act 2001, we have prepared a Product Disclosure Statement (PDS) for this insurance. This PDS has been prepared to assist you in understanding the insurance policy and making an informed choice about your insurance requirements. If you would like a copy of the PDS, please contact us.

You can contact us:

By phone on 131532, or

By writing to Insurance Australia Limited, GPO Box 9902 in your Capital City, or

By completing our e-Form or e-Mail at www.cgu.com.au

IMPORTANT INFORMATION TO READ

It is essential that you carefully read and understand the following important information. If you have any questions, please ask us.

POLICY

This notice refers to a contract of insurance that you have entered into via our company. You should refer to your policy document for the full terms and conditions applicable and you should read them carefully. Should any doubts arise as to the scope of cover provided, please contact us for an explanation.

UNDERWRITING AGENTS AND WHOLESALE BROKERS

In some cases, we access insurance products via Underwriting Agents and Wholesale brokers rather than directly with the insurer. In such cases should you wish to access the Financial Services Guide of the Underwriting Agency or Wholesale Broker please contact us and we will arrange to have a copy sent out to you.

CONTRACTUAL LIABILITY

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your underwriters to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

PREMIUM FUNDING WARNING

Premium funding allows you to spread out the cash flow associated with paying your insurance premiums over the next twelve months. We receive a commission from the funder for arranging the funding contract, full details are available on request.

Please note that should the insurance policy be cancelled before the expiry date for whatever reason, the Premium Funder will charge you the full interest applicable to the contract, as detailed in the Loan Application Form. Typically, there will be no refund of our commission on the refund premium and no refund of any fee we may have charged you for arranging the cover. We also reserve the right to charge you a policy cancellation handling fee. In some cases, underwriters also apply minimum premiums to policies, which may further reduce the refund that you might otherwise receive.

The impact of the above on you is that any refund you receive for the mid-term cancellation of your policy will usually be significantly less than a pro rata calculation would produce and in extreme cases may involve you having to make an additional final payment even though the policy has been cancelled. Therefore prior to cancelling a policy and replacing it with another cover we strongly recommend that you discuss your situation with us so that we can advise the exact extent and impact of the early cancellation provisions mentioned above.

AVERAGE / CO-INSURANCE

It is most important that the Sum Insured you select is adequate to represent the value of the insured property and is calculated in accordance with the cover being arranged. Otherwise, you will be under-insured and in terms of the Average / Co-insurance provisions of your policy, you may be responsible for paying part of the loss you actually suffer.

For example, a policy with a 100 % co-insurance clause pays as follows: if a building is insured for \$150,000 when its value is \$200,000, then in the event of a claim for damage of \$100,000, underwriters will only pay \$75,000 and you will be your own underwriter for the balance.

AVERAGE/CO-INSURANCE - BUSINESS INTERRUPTION POLICIES

Some policies contain an Average/Co-Insurance clause which is fully set out in the "Basis of Cover" or "Policy Specification" of the policy.

For the types of cover most usually provided, the Average/Co-Insurance calculation is arrived at by applying the Rate of Gross Profit, Revenue or Rentals (as applicable) to the Annual Turnover, Revenue or Rentals (as applicable); these factors first being appropriately adjusted as provided for in the "Trend of Business" or "Other Circumstances" clauses.

If you are in any doubt regarding this clause insofar as it applies to your policy, please contact your Account Manager for assistance.

PAYMENT

You will not be insured if you fail to pay the premium in full within 14 days from commencement of the risk for new policies and prior to the due date for renewals unless alternative credit arrangements have been agreed with us in writing.

UNINSURED RISKS

One of our roles as your insurance adviser is to highlight areas where you may have an exposure to loss but are presently uninsured.

To assist you, we have set out on the following pages some of the various classes of insurance presently available, together with a brief explanation on each. Some of these classes we may have already arranged insurance for on your behalf, but there are many more that could still apply to your business.

This list is not exhaustive and does not include all types of policies available in the various insurance markets. Availability of some classes may be subject to market conditions at the time.

Although many of these insurance policies may not be appropriate to your needs today, your circumstances may change and so we recommend that you review this list regularly to ensure that you remain comfortable carrying any uninsured exposures.

Naturally, you are invited to call us anytime and unless we hear from you we shall assume you do not require any further review or information regarding uninsured risks at this time.

For ease of reference, we have split the list into four headings:
