Final distribution to Schemes

We are pleased to confirm that we are now in a position to distribute the Scheme Proceeds received from the Receivers and Managers of GPL for the remaining assets originally offered as part of the Tasmanian Forestry Estate sale.

Your distribution will exceed the minimum threshold set for this distribution, being \$25 across all Schemes. We have engaged Link Market Services to again make payment of this distribution.

This distribution will be paid into the same bank account as your previous distribution(s), which is as follows:

Account No. *****5258

If this bank account is correct, you do not need to take any further action prior to the payment of the distribution.

If you would like to change the bank account into which this distribution will be paid, please complete the attached Request for Direct Credit of Payments form and email it to GUNNS@linkmarketservices.com.au along with a copy of either your pre-printed bank deposit slip or top portion of your bank statement. Any Request for Direct Credit of Payments form received without supporting documentation, will not be processed.

The final cut-off date for processing of new bank account information is **22 April 2022**. The distribution will be paid in May 2022.

Yours sincerely
