If the date in Part 6 of the Schedule is "Not Applicable" or the same date as the Original Deed, the Original Deed is the Operative Deed.
- B. The Trustee is the current Trustee of the Fund.
- C. The Members described in Part 7 of the Schedule are the current members of the Fund.
- D. Under the provisions of the Operative Deed set out in Part 8 of the schedule, the Trustee has the power to vary any provisions of the Deed.
- E. If a Consentor is noted in Part 9 of the Schedule, the Consentor must consent to this variation.
- F. The Trustee wishes to vary the Operative Deed.

With effect from the Effective Date:

1. All the provisions of the Operative Deed, including any provisions inserted by variation prior to this Deed, are, as from the Effective Date, repealed.
2. Subject to clause 8, the provisions of the Governing Rules annexed hereto (**the Governing Rules**) shall, from the Effective Date, replace, in its entirety, the repealed provisions of the Operative Deed.
3. The Fund shall be deemed to continue but under the trusts as constituted by this Deed.
4. Where the variation powers in the Operative Deed empower the Trustee, with the consent of another, to vary the Operative Deed, the execution of this Deed by the party whose consent is required shall comprise that consent.
5. Where Part 9 of the Schedule, Consentor is completed by the insertion of the words "Not Applicable", this Deed shall be deemed to be a deed by the Trustee only, and the references to the Consentor and to matters relating to the Consentor shall be deemed to be omitted.

6. If Part 10 or Part 11 is marked with anything other than "not applicable", the Trustee warrants that it is acting at the Member's request.
7. Where the Consensor and the Trustee are the same person or entity, the execution of this Deed once by a party shall be deemed to be an execution in both capacities.
8. When a person executes this Deed, that person shall be deemed to have received written notice of the variations to the Original Deed.

9.1.1 it is necessary to remove that or those restrictions beyond the validity of the amendments, or any part of them made pursuant to this Deed; and

 - 5.9.3.2 both:
 - 5.9.3.2.1 is aged between the relevant Preservation Age and 65 years; and

 - 5.9.5.3 the amount to which the application relates is not more than the maximum splittable amount for the relevant financial year.
- 5.9.6 If a Trustee accepts an application in accordance with Rules 5.9.1 to 5.9.4 then it must as soon as practicable, and in any case within 90 days after receiving the application, roll over, transfer or allot the amount of benefits for the benefit of the receiving spouse.
- 5.9.7 If the application requests a split of untaxed splittable contributions, the Trustee can only give effect to the application where the amount specified in the application is less than or equal to the un-deducted contributions that would form part of the Eligible Termination Payment that would be payable if the Member withdrew the Member's entire benefits at the time of the Trustee giving effect to the application.
- 5.9.8 If the application requests a split of taxed splittable contributions the Trustee can only give effect to the application where the amount specified in the application is less than or equal to the taxed element of the post-June 1983 component that would form part of the Eligible Termination

Payment that would be payable if the Member withdrew the Member's entire benefits at the time of the Trustee giving effect to the application.

- 5.9.9 If a Trustee accepts an application made under Rules 5.9.1 to 5.9.4, the applicant's spouse is a receiving spouse.
- 5.9.10 The Trustee is not bound to accept a contributions splitting application and may reject any such application for any reason.
