## Commonwealth Bank of Australia ("CBA") off-market share buy-back

Thank you for participating in the CBA off-market share buy-back (Buy-Back). We are pleased to confirm the successful completion of the Buy-Back and that CBA has bought back a total of 67.7 million Shares at a Buy-Back Price of \$88.62 per Share, which

As the total number of Shares offered for sale at the Buy-Back Discount of 14% and/or as a Final Price Application was greater than the number of Shares CBA determined to buy back, your Application may have been scaled back.

In accordance with the scale back process outlined in the Buy-Back booklet, a Priority Allocation of 100 Shares plus 20.6% of the remaining Shares offered at the Buy-Back Discount of 14% and/or as a Final Price Application have been bought back. Any Small Residual Holdings (20 Shares or less) as a result of the scale back process were also bought back in full.

For Shares that have been successfully bought back, you have received \$88.62 per Share. The Australian Taxation Office is expected to confirm in its Class Ruling that this payment represents a Capital Component of \$21.66 and a fully franked Dividend

The details of your Shares bought back, which may need to be disclosed on your Australian income tax return, are shown in the table below. If applicable, you are now free to deal with your Shares that have not been bought back by CBA.

| Summary of your Application                                   |        |
|---|--------|
| Total number of Shares offered for sale:                      | Shares |
| Number of Shares successfully bought back:                    | 801    |
| Number of Shares not bought back (now available for trading): | 244    |
| Pur Pool P.   | 557    |
