Additional account information

From the 1 August 2019, your Cash Deposit Account(CDA) Fixed Term Deposit funds will be automatically reinvested on the maturity date as an At Call Deposit within your CDA unless you provided us with prior instruction to withdraw funds at maturity. You have the flexibility to make the right decision for your investment on or after the maturity date. The At Call component of your CDA is not recommended as a long-term investment option and a higher interest rate may be available on a Fixed Term Deposit.

To provide instructions, enquire on current interest rates, or for any additional information, contact your Relationship Manager, visit any of our branches or phone the number listed above. You can also view details of the current interest rate applicable to CDA At Call Deposits at commbank.com.au
