The Trustee

Hilton Kensit Superannuation Fund

I herewith chose to rollover funds back from my accumulation fund to my retirement pension balance today.

The amount that I wish to rollover is the amount of \$40,500 . I wish to continue my account based pension at the higher amount.

I understand the minimum pension payable this 2022 financial year is only 2.5% which is approximately \$32,875 or – I can withdraw up to a maximum of 10 % of the account as a regular pension – unless I choose to notify you and change the terms of my pension or withdraw a lump from the fund.

Thank You
