Dear Company Officeholder

TURBO TURNER SUPER FUND PTY LTD

IMPORTANT INFORMATION

Corporate Key 25832176

We are writing to notify you that a corporate key has been issued for this company. A corporate key is an 8-digit number that is similar to the PIN on a bank account and is used to keep your company information secure.

The corporate key can be used to register for online access to manage your company details. This will allow you to quickly and easily check and update your company details on our records. For further information on how to register for online access see www.asic.gov.au/register-for-access.

If you are lodging forms with us in paper rather than online, some of our forms will require you to provide the corporate key on the form. If the corporate key is not provided, we will not be able to update the company record.

It is your responsibility to keep the corporate key number in a safe and secure location. This is important so that unauthorised persons cannot alter your company details. If at any time you feel that the security of the corporate key has been compromised, company officeholders or authorised registered agents can request a new corporate key. For further information on this process, see www.asic.gov.au/corporatekey.

The corporate key also appears on the top right hand corner of the annual company statement we send on your company's review date (usually the anniversary of your company's registration).

If you require further assistance or information, please visit our website at www.asic.gov.au, or telephone ASIC on 1300 300 630.

Yours faithfully
