

## ENGAGEMENT LETTER

**To: The Trustee, John Falconer Superannuation Fund**

### Scope

You have requested that we audit the financial report of John Falconer Superannuation Fund, which comprises the balance sheet as at 30 June 2022, and the income statement for the year then ended a summary of significant accounting policies, other explanatory notes and the trustees' declaration. We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted with the objective of expressing an opinion on the financial report and compliance with the *Superannuation Industry Supervisory Act 1993*.

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement. An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial report.

Because of the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered. In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

We take this opportunity to remind you that the responsibility for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Superannuation Industry Supervisory Act 1993* is that of the trustees. Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report in accordance with the applicable financial reporting framework and this responsibility includes:

- designing, implementing and maintaining internal control relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error;
- selecting and applying appropriate accounting policies; and

- making accounting estimates that are reasonable in the circumstances.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

**Other Matters under the *Corporations Act 2001***

*Independence*

We confirm that, to the best of our knowledge and belief, we currently meet the independence requirements of the *Corporations Act 2001* in relation to the audit of the financial report. In conducting our audit of the financial report, should we become aware that we have contravened the independence requirements of the *Corporations Act 2001*, we shall notify you on a timely basis.

We look forward to your full cooperation and make available to us whatever records, documentation and other information we request in connection with our audit.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our audit of the financial report.

Yours faithfully,

.....

## John Falconer Superannuation Fund

### Members and Trustees

John Falconer (Trustee)

### Objectives

The trustees of John Falconer Superannuation Fund ('the Trustee') have formulated the following investment objectives and strategy in accordance with section 52(2)(f) of the Superannuation Industry (Supervision) Act, 1993 ('SIS Act').

The Trustee aims to:

- provide superannuation benefits to members and their dependants to meet their retirement needs.
- ensure that an appropriate mix of investments are held by the Fund to support these needs.

As a general investment objective the Trustee aims to achieve reasonable medium to long term growth whilst maintaining a low level of capital volatility and risk. The Trustee does accept that short term volatility will occur within asset classes however the Trustee will seek sufficient diversification within the Fund's investment portfolio to minimise such risk and volatility.

### Investment Strategy

As a means to achieving this objective, the Trustee has determined that the Fund's investments may include but not be limited to all or one of the following:

- direct equities, stock and derivatives and including the participation in dividend reinvestment programs and rights issues;
- property trusts and associated investments;
- managed investments and associated products;
- direct residential, industrial or commercial property investment;
- bank and other financial institution securities including term deposits, debentures, secured and unsecured notes and bonds;
- any other investments which would not jeopardise the complying status of the Fund.

The investment strategy of the fund comprises the following asset allocations:

<b>Asset</b>	<b>Range</b>
Cash	0 - 100%
Fixed Interest	0 - 100%
Australian Equities	0 - 100%
International Equities	0 - 100%
Property (direct or indirect)	0 - 100%
Other investments including derivatives, futures, options, foreign currency	0 - 100%

These ranges are purely indicative and the Trustee may vary the allocations at any time if satisfied that the current market conditions or the Fund's circumstances warrant such a change. If the Trustees wish to invest outside these parameters, the investment strategy of the Fund must be revised in writing and all decisions minuted.

The Trustee may from time to time seek the professional advice of an accountant, solicitor or financial planner in the formulation of the investment strategy.

In formulating this strategy the Trustee has taken into consideration relevant features of the investment types in accordance with both the Fund's objectives and the superannuation laws. The Trustee considered:

- The risk and return of the investments;
- Diversification of investments;
- Liquidity and cash-flow requirements; and
- Ability of the Fund to discharge its liabilities.

## **Policies**

The policies adopted by the Trustee in order to achieve these objectives are:

- regular monitoring of the performance of the Fund's investments which would cover the rate of return in income and capital growth, the risk profile of the overall investment mix and the expected cash flow requirements of the Fund.
- balancing the Fund's investment portfolio due to changes in market conditions.

The Trustee aims to ensure investments of the Fund continue to comply with the overall strategy and so may review the strategy as required however it will be reviewed at least annually and the Trustee reserves the right to change the strategy at any time.

Signed by / on behalf of the Trustee

JOHN FALCONER
