For Your Information

Be on the lookout for invoice scams. Criminals can change bank account details on a legitimate invoice to an account controlled by scammers. Criminals may also make a request by email or phone to update bank account details for suppliers or employees. Before actioning, always confirm any changes to payment details by contacting the supplier/employee using a phone number listed on their website or you have on file. Learn how to recognise scams and protect your business by visiting nab.com.au/security.
