### Financial Reporting Framework

The trustees have prepared the financial statements on the basis that the Superannuation Fund is a non reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of the members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed in Note 1, which the trustees have determined are appropriate to meet the needs of the members. Such accounting policies are consistent with the previous period unless stated otherwise.

### Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes.

### Note 1 Accounting Policies

#### Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

#### Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

All revenue is stated net of the amount of goods and services tax (GST).

#### Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the balance sheet.
