RE: PAINTINGS

I am one of the directors of the trustee company of the Zube Superannuation Fund.

I wish to advise that the paintings' market value at 30 June 2021 (listed below), held by the Super Fund have not changed since they were last valued on 17 October 2017:

"Flying Doctor in Mulga Country" by Howard William Steer = \$8,500
"Echidna" by Heather Blacklock (Yorga) = \$7,000
"Guld PNG" by Michael Haure = \$2,200

The above listed paintings were located at Camp Hill Healthcare Clinic at 577 Old Cleveland Road, Camp Hill QLD 4152. This location is the business premises of an unrelated party of the super fund. This location was selected as it has 24-hour security system, to protect the paintings from theft.

I can confirm the paintings are not for private use and/or enjoyment by Members or related parties.

Should you have any further queries or wish to discuss the above, please do not hesitate to contact me.

Kind regards
