BACKGROUND NOTES

5. The SUPERCentral Governing Rules are periodically amended by way of complete replacement of the current version of the Governing Rules with an updated version of the Governing Rules.
6. The proposed amendment is effected by Super Governing Rules Pty Ltd exercising the power of amendment conferred on that company by the SUPERCentral Establishment Deed/Amendment Deed which has been signed by the Trustee.
7. Fourteen clear days' notice is given of the proposed amendment and the Trustee, if it so wishes, may decline to accept the proposed amendment by notifying SUPERCentral within that notice period. With the formal notice, an information sheet was provided which detailed the changes and the implications of the changes.
9. As the updating system operates on an "opt out" basis, the Trustee does not need to notify SUPERCentral of their decision to accept the proposed amendment.
10. Despite Point 5, the Trustee may wish to record the decision to not to opt out of the proposed amendment of the SUPERCentral Governing Rules for internal management purposes.
11. This template is provided for a Trustee which wishes to formally record for internal management purposes the Trustee's acknowledgment of the proposed amendment and its decision not to "opt out".

Written Resolutions in respect of the Trustee of the Patapis Super Fund

1. Purpose of resolution

The purpose of this resolution is to formally confirm and record the decision by the Trustee not to opt out of the SUPERCentral Governing Rules Update – Version 05/15 which was notified to the Trustee (or its information agent) and which will apply (if the update is not rejected by the Trustee within the notice period) on and from 20 May 2015.

2. Notice of update and information received

Noted that the Trustee (or its information agent for this purpose) had received:

- (a) a notice issued by Super Governing Rules Pty Ltd of the replacement of the current version of the SUPERCentral Governing Rules Version 08/14 with the updated Version 05/15;
- (b) an electronic link to the SUPERCentral Governing Rules Version 05/15;
- (c) an electronic link to a marked up version of the SUPERCentral Governing Rules Version 05/15; and
- (d) a link to an information sheet on the changes made to the SUPERCentral Governing Rules (a copy of which is attached to this resolution).

3. Consideration of changes made to the SUPERCentral Governing Rules as set out in Version 05/15

Noted that the information sheet identified, amongst other changes, the changes which have been made to the SUPERCentral Governing Rules which are summarised below:

(a) Medical evidence for removal of trustees

A provision has been included by which a trustee ceases to hold office if two independent medical certificates are provided by legally qualified medical practitioners certifying that the trustee is not able to manage their own affairs. The certificates are prima facie evidence of incapacity.

(b) Appointment of legal personal representative as trustee in the period from death of member to payment of death benefits

Provisions have been included to permit a member to appoint their legal personal representative as a trustee from the death of the member until the benefits of the member have been allocated and paid out. The legal personal representative must be the executor or administrator of the estate of the member.

(c) Saving provisions for binding death benefit nominations

A provision has been included to provide that a reference to "Trustee of Deceased Estate" in a death benefit nomination is to be taken to be a reference to the legal personal representative of the member's estate. This change addresses an issue identified in the recent case of *Munro v Munro* [2015] QSC 61, a decision of the Supreme Court of Queensland.

Another saving provision has been included to ensure that a binding death benefit nomination which nominates less than the entire death benefit will be valid and the balance of the death benefit will be allocated by the trustee to or amongst the dependants and/or estate of the member.

(d) Release Authorities – Refund of excess non-concessional contributions

The definition of "Release Authority" has been updated to permit the release of excess non-concessional contributions and associated earnings which relate to the 2013/14 or later financial years.

(e) Grandfathered & other insurance arrangements

The Governing Rules have been amended to expressly provide that insurance cover in place as at 30 June 2014 for a particular member can be maintained after that date.

Additionally, the power of the trustee to effect insurance on the lives of the members for liquidity purposes has been set out in its own provision – (previously this power was set out in Rule 5.2(c)).

(f) Trustee Authorised Investments

The list of authorised investments has been expanded to include Simple Corporate Bonds and exchanged-traded Australian Government Bonds. Also, the leasing power of the trustee has been modified to expressly permit the trustee to grant long term leases (in excess of the period permitted by the relevant Trustee Act).

(g) Commutation of Transition to Retirement Pensions

The Governing Rules have been amended to expressly provide that where the purchase price of a transition to retirement pension includes an unrestricted non-preserved component, the pension may be commuted to the extent the pension balance consists of the unrestricted non-preserved component even though the member has not attained age 65 or retired for superannuation purposes.

Noted that Version 05/15 automatically applies to the Superannuation Fund.

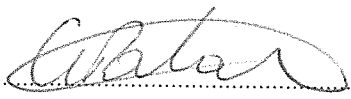

Resolved that a copy of the information sheet issued in respect of the proposed amendment be provided to each member of the Fund.

Written Resolutions in respect of the Trustee of the Patapis Super Fund

1. Purpose of resolution

The purpose of this resolution is to formally confirm and record the decision by the Trustee not to opt out of the SUPERCentral Governing Rules Update – Version 10/15 which was notified to the Trustee (or its information agent) and which will apply (if the update is not rejected by the Trustee within the notice period) on and from 30 October 2015.

2. Notice of update and information received

Noted that the Trustee (or its information agent for this purpose) had received:

- (a) a notice issued by Super Governing Rules Pty Ltd of the replacement of the current version of the SUPERCentral Governing Rules Version 05/15 with the updated Version 10/15;
- (b) an electronic link to the SUPERCentral Governing Rules Version 10/15;
- (c) an electronic link to a marked up version of the SUPERCentral Governing Rules Version 10/15; and
- (d) an electronic link to an information sheet on the changes made to the SUPERCentral Governing Rules (a copy of which is attached to this Resolution).

3. Consideration of changes made to the SUPERCentral Governing Rules as set out in Version 10/15

Noted that the information sheet identified, amongst other changes, the changes which have been made to the SUPERCentral Governing Rules which are summarised below:

(a) Terminal Medical Condition

The relaxation in the certification period from 12 months to 24 months has been incorporated. Previously the medical certificate to permit a release of benefits on the grounds of Terminal Medical Condition required the medical practitioners to certify that death is likely within 12 months of the date of the certificate. Now a 24 month period applies. Consequently the medical practitioners need to certify that death is likely within 24 months of the date of the certificate.

(b) UK Superannuation Transfers – Fund as a qualifying recognised overseas pension scheme (QROPS)

The Governing Rules have been amended so that benefits arising from UK transferred superannuation/pension benefits are preserved until age 55 and can only be accessed before that age in the circumstances permitted by the relevant UK statutory instruments: death and the “ill-health condition” as defined in the relevant UK legislation. In order for the Fund to receive UK superannuation transfers (without significant UK tax being incurred by the member) the Fund will have to apply for QROPS status with the UK Revenue Authorities. These amendments will only apply to UK transferred superannuation/pension benefits which have transferred on or after 6 April 2015.

(c) **Variation of payment terms of death benefits**

The Governing Rules have been amended to permit the Trustee and the beneficiary of a binding death benefit nomination to pay the death benefit as agreed between the Trustee and the beneficiary. However the Trustee and beneficiary will have no power to vary the terms on which the death benefit is paid if the member expressly or by implication otherwise specifies.

(d) **Validity of Binding Death Benefit Nominations**

The Governing Rules have been amended so that a Binding Nomination which is valid at the date of making of the nomination does not cease to be valid solely because of subsequent changes to the Governing Rules.

(e) **Release Authorities – updating references**

The definition of “Release Authority” has been updated to reflect recent changes to the table of release conditions set out in the SIS Regulations.

Noted that Version 10/15 automatically applies to the Superannuation Fund.

Resolved that the proposed amendment of the SUPERCentral Governing Rules by the replacement of the current Version 05/15 with Version 10/15 is in the best interests of the members of the Fund and, consequently, no objection should be made to the proposed amendment as it applies to the Superannuation Fund.

Resolved that a copy of the information sheet issued in respect of the proposed amendment be provided to each member of the Fund.

4. **Signing & Dating – Trustees/Directors**

For the purposes of this Part "Trustee" means the company which acts as trustee or the group of individuals which constitute the trustee (as the case may be).

Written resolution in respect of the Trustee of the Patapis Super Fund ("the Fund")

1. Purpose of resolution

The purpose of this resolution is to formally confirm and record the decision by the trustee ("the Trustee") not to opt out of the SUPERCentral Governing Rules Update – Version 10/16 which was notified to the Trustee (or its information agent) and which will apply (if the update is not rejected by the Trustee within the notice period) on and from **29 October 2016**.

2. Notice of update and information received

Noted that the Trustee (or its information agent for this purpose) had received:

- (a) a notice issued by Super Governing Rules Pty Ltd of the replacement of the current version of the SUPERCentral Governing Rules Version 10/15 with the updated Version 10/16;
- (b) an electronic link to the SUPERCentral Governing Rules Version 10/16;
- (c) an electronic link to a marked up version of the SUPERCentral Governing Rules Version 10/16;
and
- (d) an electronic link to an information sheet on the changes made to the SUPERCentral Governing Rules (a copy of which is attached to these resolutions).

3. Consideration of changes made to the SUPERCentral Governing Rules as set out in Version 10/16

Noted that the information sheet identified, amongst other changes, the changes which have been made to the SUPERCentral Governing Rules which are summarised below:

(a) UK Superannuation Transfers – Age 55 precondition for transfers (QROPS)

The Governing Rules have been amended to include a provision (reflecting current UK mandatory requirements) that the Trustee cannot accept UK transferred benefits of a member unless the member has attained age 55.

This change has been effected by inserting new Rule 29.2A immediately after Rule 29.2.

(b) Payment Splitting actions

The Governing Rules have been amended to permit the Trustee to various actions in to satisfy the interest of a non-member spouse under a payment split as are permitted by Regulation 14G of the *Family Law (Superannuation) Regulations 2001*.

This change has been effected by inserting new Rule 7.1(d) and making amendments to Rule 7.1(c).

(c) **CGT Contributions arising from the payment of look-through earn-out rights**

The Governing Rules have been amended to expressly permit the Trustee to accept as CGT non-concessional contributions payments arising from look-through earn-out payments arising from the sale of assets to which the small business 15 year or retirement concession applies. Essentially, look-through earn-out payments are sale proceeds which are paid during or before the 5th financial year after the financial year in which the disposal of the active asset occurred.

Additionally, the amount of the payment must be related to the financial performance of the asset in the post-sale period but the amount of the payment cannot reasonably be ascertained at the time of the disposal.

Without this change, earn-out payments arising from a disposal which occurred before age 65, or occurred after age 65 at a time when the member satisfied the work test, but received at a time when the member is precluded from making further superannuation contributions (for example, at a time when the member is aged 65 or more and not satisfied the work test or 76 or more) could not be accepted. Now, the payments can be accepted as superannuation contributions if the payment would not have been affected by the contribution restriction had the payment been made during the financial year in which the disposal occurred.

This change has been effected by amending Rule 14.2(k).

(d) **Overseas securities**

The list of approved investments set out in the Governing Rules has been modified to expressly refer to securities listed on overseas securities exchanges which are electronic exchanges such as NASDAQ.

This change has been effected by amending Rule 3.4(a).

(e) **Disclaimer of death benefits**

The Governing Rules have been modified to permit a beneficiary of a death benefit to expressly disclaim the entirety of their interest in the death benefit. The disclaimed interest will then be allocated at the Trustee's discretion to or amongst the other possible beneficiaries of the relevant deceased member.

This change has been effected by inserting new Rule 15.30 and by inserting new Rule 16.11.

(f) **Repeal of superseded provisions**

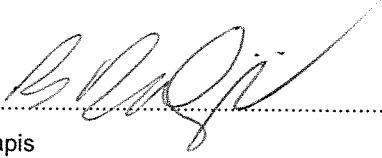

Provisions of the Governing Rules set out in Rule 26 (dealing with the transitional issues arising from the 2007 superannuation and tax changes) and Rule 28 (dealing minimum pension relief in the period from 1 July 2008 to 30 June 2013) have been repealed as they are no longer relevant. While these Rules have been repealed, their numbering will be retained to avoid cross referencing errors.

This change has been effected by deleting Rule 26 and by deleting Rule 28. However there has been no renumbering of rules as a result of this change.

4. Signing & dating – Trustees/Directors

For the purposes of this Part "Trustee" means the company which acts as trustee or the group of individuals which constitute the trustee (as the case may be).

Consideration of changes made to the SUPERCentral Governing Rules as set out in Version 11/17

Noted that the information sheet identified, amongst other changes, the changes which have been made to the SUPERCentral Governing Rules which are summarised below:

(a) Annuity Pensions

The Governing Rules have been amended to permit the Trustee to purchase annuities to support the provision of lifetime income streams for members. In particular, the Trustee will be permitted to purchase deferred annuities in order to provide a deferred superannuation income stream.

Deferred superannuation income streams may be relevant to members concerned about longevity risk. Deferred income streams will permit a member, who has attained age 65 or is retired for super purposes (or otherwise in retirement phase) to access the earnings tax exemption of pension phase without being subject to the minimum pension payment rule while the income stream is in the deferral period.

Additionally, the income stream is a lifetime income stream. However, such income streams have a declining access to the underlying pension capital and no capital value once the life expectancy period has ended.

(b) **NSW transfer duty changes on transfer of primary production land as an in specie benefit payment**

The Governing Rules have been amended to allow in specie transfers of primary production land from the Trustee where the transfer is at the direction of a member to a family member so as to attract transfer duty concession provided by s274 of the *Duties Act 1997* (NSW).

This change only applies to NSW land.

(c) **Authorised Investments – expanded investments**

The Governing Rules have been amended to expand the list of authorised investments to expressly refer to collective investments and investment in limited liability partnerships (as a limited partner only). Additionally, the types of property improvements which can be undertaken by the Trustee has been expanded.

(d) **Centrelink Income Stream information**

The Governing Rules have been amended to expressly permit (subject to the consent of the relevant member) the Trustee to provide information about superannuation income streams to Centrelink.

(e) **Unused concessional contributions cap**

The Governing Rules has been amended to expressly permit the Trustee to accept concessional contributions in any financial year which exceed the unused concessional contributions cap. This cap applies from 1 July 2018.

(f) **Binding Death Benefit Nominations**

The Governing Rules have been amended to remove any doubt that nominations can be restricted to a particular superannuation interest, that they are revocable and that in the case of composite nominations (ie nominations involving two or more beneficiaries), the invalidity of nomination to one beneficiary does not affect the validity of nominations to other beneficiary or beneficiaries.

(g) **Contribution Splitting**

The Governing Rules have been amended to expressly refer to the possibility that the contribution split payment may be made to another superannuation fund.

(h) **Various minor amendments**

The Governing Rules have been amended in various minor ways to update statutory references, to remove superseded provisions, and to improve the readability of the text.
