Understanding comprehensive credit reporting

It's more important than ever to pay on time as this is shown on your consumer credit report as part of comprehensive credit reporting (CCR).

CCR provides you with a more complete picture of your credit history including your on time and late repayments. You can also see your consumer credit account open and closed dates, type of credit, credit limit and it now includes whether you are in a financial hardship arrangement.

For more information please see our website, our Privacy Statement or visit CreditSmart.org.au.
