Dear Cynthia Price,

## You'll now find it easier to manage your finances.

We're happy to confirm that you are registered to use Internet and Phone Banking. Attached is your card containing your Customer Access Number. Make sure you keep it handy for easy reference.

**If you have already created your own Security Number and Password online after completing the activation process, you can use Internet, Mobile and Phone Banking at any time.**

If you have not created your Security Number and Password, you will need to activate your registration by following these simple steps:

- ☛ 1) Go to Online Services on our website and select 'Activate Internet Banking'. If you use your mobile device, visit our website and select activate Internet Banking.
- ☛ 2) Enter your Customer Access Number and the Password you have received via SMS. If you don't have password, contact us on **1300 555 203**.
- ☛ 3) You will then be prompted to authenticate yourself using our Secure Code Service. To complete your registration you will need to create a Security Number and Password.

**Don't forget to keep your security number and password secure and don't share them with anyone.**

You can now look forward to the ease and convenience of doing your banking when it suits you. With Internet and Phone Banking you can:

- Review account balances and recent transactions
- Transfer funds between your accounts
- Pay bills using BPAY®
- Switch to the convenience of online eStatements
- Use SMS and email alerts to minimise fees or be alerted to suspicious transaction activity
- Pay anyone within Australia or overseas\*
- Use Mobile Banking anytime, anywhere

To find out more, please read the enclosed brochure, visit [stgeorge.com.au](http://stgeorge.com.au) or call us on 1300 555 203, 24 hours a day, seven days.

Kind regards,

Travis Tyler  
Head of e-Distribution and Internet
