The Trustee  
THE WEIS SUPERFUND

Dear Trustees

Until further notice, I hereby request that any future withdrawals in a financial year from my superannuation benefit entitlements under the Trust Deed of THE WEIS SUPERFUND in excess of any required minimum pensions payable be paid to me as lump sum payments from the unrestricted component of either my accumulation account or as pension commutations, in the following order:

Sequentially from the account with the lowest tax-free percentage to the highest tax-free percentage up until each respective account balance is exhausted.

I note I am consciously exercising my right to exchange a portion of my pension payments for a lump sum. This means any lump sum commutation will be regarded as a partial commutation of my pension and will not result in the cessation of my pension unless the balance is fully exhausted.

I understand any lump sum commutation will not count towards satisfying the minimum payment requirements for my pension, but I am eligible to partially or fully commute the pension as the minimum payment rules will have been satisfied first.

I understand the payment will be taxed as a superannuation lump sum in accordance with section 307-65 of the Income Tax Assessment Act 1997.

Yours faithfully

**Resolution Of The Trustees Of  
THE WEIS SUPERFUND**

**REQUEST FOR LUMP SUM PAYMENT OR COMMUTATION**

It was noted that Rhonda Weis has requested that until further notice, future payments for a financial year in excess of the required minimum pension be paid as a lump sum benefit.

These excess future payments will be allocated as lump sum payments from the unrestricted component of their accumulation benefits or as commutations from their pension/s accounts in the following order:

Sequentially from the account with the lowest tax-free percentage to the highest tax-free percentage up until each respective account balance is exhausted.

As Rhonda Weis is over age 65, all their benefits are classified as unrestricted and may be accessed at any time.

Further, it was acknowledged that the minimum payment rules must have been satisfied prior to any partial commutations from their pension account.

Accordingly, we RESOLVE:

1. Any future payments for a financial year in excess of the required minimum pension for Rhonda Weis will be paid as a lump sum payment or commutation in accordance with the terms of the Trust Deed;
2. Any lump sum commutation/s will be regarded as partial commutation/s of Rhonda Weis's pension/s and will not result in the cessation of their pension unless the pension account balance is fully exhausted;
3. Any lump sum commutation will not count towards satisfying the minimum payment requirements for Rhonda Weis's pension;
4. Rhonda Weis will be eligible to partially commute their pension/s as the minimum payment rules have been satisfied in the first instance; and
5. As Rhonda Weis is over the age of 60 any future payments will not be taxable and as such not subject to PAYG Withholding.

Rhonda Weis is to be advised in writing of the Trustee's decision to pay any future withdrawals of their benefits as lump sum payments or either as pension commutations. The relevant taxation components of any future lump sum withdrawals are to be advised in due course.
