**The Stanley Family Fund**  
349 Young Street  
ANNANDALE NSW 2038

Dear John,

In connection with your examination of the special purpose financial report of the **The Stanley Family Fund** as at 30 June, 2022, we acknowledge our responsibility for ensuring the financial report is prepared in accordance with the accounting standards detailed in Note 1 to the financial statements. We confirm we have fulfilled our responsibility for the preparation of the financial report in accordance with the relevant financial reporting framework, the statutory reporting requirements applicable to the fund, and confirm that the financial report is free of material misstatement, including omissions, and that we have approved the financial report, as evidenced by our signature on the trustee declaration attached to the financial report.

We confirm we are knowledgeable on the matters contained in this representation letter.

The following representations are true to the best of our knowledge and belief:

**1. Accounting Policies**

All the significant accounting policies of the fund are adequately described in Note 1 to the financial statements and are consistent with the policies adopted last year, unless otherwise detailed in the notes to the financial statements.

**2. Fund Books / Records / Minutes**

As agreed in the terms of the audit engagement, all financial books, records and related data have been made available to you, including relevant minutes of trustee meetings and this information has been retained in the appropriate format for the required period of time.

We confirm all transactions have been recorded and are reflected in the financial report.

With the exception of any data collated with regard to accounting estimates, no experts have been engaged in the preparation of documentation for your audit.

 X 

### 3. Asset Form

The assets of the fund are being held in a form suitable for the benefit of the member(s) of the fund.

### 4. Ownership and Pledging of Assets

- a) The fund has satisfactory title to all assets disclosed in the statement of financial position; and
- b) No assets of the fund have been pledged to secure liabilities of the fund (unless the charge is permitted by the legislation) or of others.

### 5. Custodian Services

Where the fund engages the services of a custodian, we note:

- a) Notwithstanding the custodian is engaged to assist with the holding, safeguarding and administration of certain fund assets, we are responsible for investment decisions and to ensure the fund's investment strategy is complied with;
- b) We are responsible for establishing the terms under which the custodian is engaged;
- c) Investments and other reports are received at least quarterly, or more often as required;
- d) The nature of the relationship between the fund and the custodian engaged is consistent with the general terms of contracts of this nature.

It is noted that it is our responsibility to establish the terms under which the custodian is engaged and to ensure the investments held by the custodian are in accordance with the fund's investment strategy.

In instances where the fund uses a custodian, we confirm we have not been advised of any fraud, non-compliance with laws and regulations or uncorrected mis-statements that would affect the financial report of the fund.

### 6. Investments

- a) Investments as at year end are carried in the books at market value. If an accounting estimate is used to determine the value to be reported, the trustee confirms a value was selected (based on the evidence collated) that most accurately reflects the market value of the asset. Save for the impact of events subsequent to year end, such amounts are considered reasonable in the light of present circumstances;
- b) There are no commitments, fixed or contingent, for the purchase or sale of longterm investments, that have not otherwise been disclosed in the financial report;

 X  
EM

- c) The investment strategy, after taking into account the whole of the circumstances of the fund, has been determined with due regard to risk, return, liquidity and diversification. This is so even where investments chosen may be considered risky, may have negative or limited returns, may be illiquid and may not equate to a diversified portfolio;
- d) In the event the fund does not have a diversified portfolio, the trustee confirms the risks associated with a lack of diversification were considered prior to making and maintaining investments;
- e) The investments held by the trustee are considered appropriate to meet the needs of the fund member(s); and
- f) Every effort has been made to ensure investments are acquired, maintained and disposed of on an arm's length basis.

## 7. Accounting Estimates

We note accounting estimates may be needed where the fund invests in property, unlisted investments, collectable or other tangible assets, or where the fund transacts with related parties.

With regard to the use of any accounting estimates, we confirm we oversee the collation of information needed to evidence the estimate(s) set. We acknowledge that any specialised skill needed with regards to accounting estimates is determined in conjunction with any requests by you as the auditor of the fund. This process assists in the selection of assumptions to be made, methods to be applied and sources of data to be used to determine the accounting estimate.

We do not have a formal process to identify or address the risks relating to accounting estimates. Estimates undertaken for the purpose of compliance with SISA section 109 or SISR regulation 8.02B are supported by appropriate documentation, copies of which have been supplied for audit review.

We acknowledge and understand there is a degree of estimation uncertainty. We do not believe the level of estimation uncertainty needs separate disclosure in the financial report. We confirm the methods, assumptions and data used in the making of any accounting estimates are appropriate for the preparation and presentation of the special purpose financial report.

## 8. Trust Deed

The fund is being conducted in accordance with its governing rules, and you have been provided with copies of any updates to the governing rules made during the financial year.

 X  

## 9. Legal and Regulatory Framework

Unless otherwise identified during your audit, the fund is in compliance with the requirements of the relevant Income Tax Assessment Act. The fund is being conducted in accordance with the Superannuation Industry (Supervision) Act 1993 (“SISA”), and Superannuation Industry (Supervision) Regulations 1994 (“SISR”) (with the exception of any contraventions as identified by you as the auditor) and we specifically confirm:

- a) We have provided you with all information relevant to the compliance engagement;
- b) The directors of the corporate trustee have been nominated, have consented to act and may only be removed in such manner and circumstances as are allowed in the governing rules;
- c) No director of the corporate trustee is a disqualified person;
- d) The trustee has complied with the investment standards set out in SIS; and
- e) Information retention obligations have been complied with.

We acknowledge we are responsible for complying with the Listed Provisions (per the audit engagement letter), including the identification of risks that might threaten fund compliance. We are responsible for designing and maintaining internal controls to mitigate these risks, including the risk of fraud in the hope that these risks do not hamper the fund’s ability to comply with the Listed Provisions.

All known instances of non-compliance or suspected non-compliance with applicable laws and regulations, whose effects should be considered when preparing the financial report, or that impact your obligation to report certain matters to the Australian Taxation Office have been disclosed to you.

We confirm the fund has complied with the provisions of any laws and regulations that may have a direct effect on the determination of material amounts and disclosures in the financial report, other than those you have advised.

## 10. Internal Controls

We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud. We do not have an internal audit function, however, we have established and maintained an adequate internal control structure to facilitate the preparation of a reliable financial report and to ensure that the assets of the fund are safeguarded from fraud or error. We have assessed the risk that the financial report may be materially mis-stated as a result of fraud and advise we have no knowledge of any actual, suspected or alleged fraud affecting the fund. There have been no irregularities that could allude to a fraud affecting the fund.

We confirm we have not received any communication from any parties connected to the fund relating to any allegations of, or suspected cases of, fraud, that might affect the financial report of the fund.

 X

There are no specific risks arising from the information technology utilised by the fund that require attention by the trustee.

To monitor internal controls over financial reporting, we review all reports provided by the information technology systems utilised by the fund for accuracy. This assists in determining if the information is sufficiently reliable for financial reporting purposes.

## **11. Contributions**

Concessional and non-concessional contributions, if any, received by the fund have been reviewed in line with the limits imposed by the legislation, taking into account contributions paid to other superannuation funds.

To the best of our knowledge, non-concessional contributions received are in line with member specific contribution caps.

Any excessive contributions will be dealt with as required by either the legislation or as advised by the ATO.

## **12. Legal Matters**

We confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for, and been appropriately disclosed in the financial report.

Any minutes of meetings with the fund's legal counsel have been provided for audit review.

## **13. Related Parties**

All related parties and related party transactions (if any) have been brought to your attention, and have been appropriately accounted for. We confirm the effect of any related party relationships or transactions do not cause the financial report to be misleading.

## **14. Subsequent Events**

The trustee has no formal procedures for the identification of subsequent events, however, we monitor investments and markets information relevant to the fund on an ongoing basis.

 X

Other than those reported, there are no events subsequent to year end, nor any new litigation or claims referred to the fund's legal counsel, that would require adjustment to, or disclosure in, the financial report.

We further note there are no subsequent events that could have significant effect on the fund's compliance and therefore on your opinion for the compliance engagement.

**15. Going Concern Assumption**

We confirm we have no knowledge of any events or conditions that would cast significant doubt on the fund's ability to continue as a going concern.

**16. Timing of Representations**

It is taken that the above representations are applicable to the 2022 audit of the fund. Should this representation letter be signed on a date other than when the audit report is signed, we note that the above representations are still appropriate, relevant and accurate to the date on which your audit report is signed. Should this not be the case, we shall inform you prior to the finalisation of your audit, and the signing of your audit report.

Yours faithfully,

  
\_\_\_\_\_  
**Director**

*Elissa Melrose*

**1 December 2022**

The Trustees,  
**The Stanley Family Fund**  
**349 Young Street**  
**ANNANDALE NSW 2038**

Dear John,

**RE: TERMS OF CURRENT AUDIT ENGAGEMENT**

I refer to our previous audit engagement with regard to the **The Stanley Family Fund**. There have been a number of changes in auditing requirements since I was first engaged, and as a result, I believe it is appropriate to re-issue the terms of my audit engagement, as of, and from, the year ended 30 June, 2022.

**Audit of the Financial Report**

In accordance with Section 35C of the Superannuation Industry (Supervision) Act 1993 (“SISA”), the financial report of a regulated superannuation fund must be audited by an approved auditor. The auditor must give the trustee a report on the special purpose financial report in the approved form within the prescribed time after the year of income to which the financial report relates.

My responsibilities include obtaining reasonable assurance that the financial report, taken as a whole, is free from material misstatement, whether caused by fraud or error. Notwithstanding this responsibility, due to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with the Australian Auditing Standards.

The work undertaken by me to form an opinion is permeated by judgement, in particular, regarding the nature, timing and extent of the audit procedures for gathering of audit evidence and the drawing of conclusions based on the audit evidence gathered. In addition, there are inherent limitations in any audit, and these include the use of testing, the inherent limitations of any internal control structure, the possibility of collusion to commit fraud, and the fact that most audit evidence is persuasive rather than conclusive. As a result, my audit can only provide reasonable – not absolute – assurance that the financial report is free from material misstatement.

I am required to establish whether various pre-conditions for the financial report aspect of my audit are present.

I direct your attention to the fact that each trustee is responsible for the maintenance of adequate accounting records and internal controls, the safeguarding of superannuation fund assets, the selection of accounting policies and the preparation of the special purpose financial reports. The financial report must be prepared using an acceptable financial reporting framework. I note each trustee is responsible for providing access to all information that is relevant to the preparation of the financial report, and any additional information that may be required as part of the financial audit.

  
X  

In particular, I note each trustee is responsible for the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error. Your signature below evidences your understanding and acknowledgement of these responsibilities, and confirms these preconditions have been met by each fund trustee.

The audit of the financial report does not relieve the trustee of their individual responsibilities.

My audit will be conducted in accordance with Australian Auditing Standards. The objective of the audit is to obtain reasonable assurance about whether the special purpose financial report, as a whole is, free from material misstatement, whether due to fraud or error and to issue an audit report on the financial report.

My responsibilities include ensuring I comply with all relevant ethical requirements. I must ensure I plan and perform my audit with professional scepticism, whilst recognising that circumstances may exist that can cause the financial report to be materially misstated. Whilst undertaking the audit, I am also required to exercise professional judgment in planning and performing my work.

My audit will be planned and conducted primarily to enable me to express my professional opinion as to whether the financial report complies with Australian Accounting Standards and other reporting requirements as adopted by the trustee, but also, so as to have reasonable expectation of detecting material misstatements arising as a result of irregularities which would have a material effect on the financial report. Unless otherwise agreed to, I assume no responsibility to design audit procedures to identify matters that may be appropriate to report to you.

I am required to communicate the planned scope and timing of my audit, and I note the scope of my audit will be sufficient to perform my duties as the auditor of the fund. The timing of the audit will be dictated by the provision of relevant documentation to commence the audit. I am also required to communicate the significant risks identified. Generally speaking, the auditing standards require a presumption that revenue recognition, and the possibility of the trustee overriding internal controls as significant risks. Another example of a significant risk is where the fund enters into a limited recourse borrowing arrangement, where the financier is a related party of the fund. Should any other significant risks be identified as part of my audit, I will communicate these to you.

My audit work involves examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report in order to form an opinion as to whether, in all material respects, the financial report is fairly stated in accordance with the accounting policies described in the notes thereto.

As the auditor of your fund I note I am not responsible for investment decisions. You should not consider the receipt of an unmodified audit report a validation of investment choices made as the trustee of the fund. Even though I may be required to bring to your attention investment decisions I consider to be unusual, of high risk, or to be out of the ordinary for a self-managed superannuation fund, investment decisions, and the resultant outcomes, are the responsibility of the trustee. Your signature below acknowledges each trustee is responsible for investment decisions and outcomes.

As part of my audit, I will request from the trustees written confirmation regarding representations made to me in connection with the audit.

 X  
em

I am required by the Australian Auditing Standards to include an Emphasis of Matter paragraph in my audit report, and I note the anticipated wording will be:

*I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist the **The Stanley Family Fund** meet the requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes, and should not be distributed to parties other than the trustee. My opinion is not modified in respect of this matter.*

## **Audit Communications**

If my audit report requires an additional Emphasis of Matter paragraph, or an Other Matter paragraph, I am obligated to communicate with you regarding the inclusion of such an additional paragraph, along with the anticipated wording.

Notwithstanding the ATO publish the required wording of the audit report that I am required to use, there may be circumstances in which my report may differ from its expected form and content. An audit opinion may be modified, typically as a qualified opinion, or an adverse opinion may be issued. In extreme cases a disclaimer of opinion may be appropriate. Again, I am obligated to communicate with you regarding any modification to my opinion, along with the anticipated wording.

I am required to inform you of certain uncorrected misstatements identified during the audit, and I must obtain representations from you acknowledging the uncorrected misstatements have been brought to your attention, and that you have considered the effects of these misstatements to be either material or immaterial individually and in aggregate to the financial report.

At the completion of the audit I will prepare an audit management letter to advise you of any matters encountered during the course of the audit that I believe should be brought to your attention. I am required to communicate my views on the accounting policies adopted in the preparation of the financial report, including an explanation as to why I believe an alternative accounting policy may be more appropriate. Further to this I am required to communicate my views on any accounting estimates and financial report disclosures. I am also required to communicate to you any significant difficulties, if any, encountered during the audit.

Please note you should not assume that matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters that you should be aware of in meeting your responsibilities.

## **Audit of SIS Compliance**

I acknowledge that I am a member of a practice that applies ASQC 1, and that I have the assurance skills and techniques developed through intensive training and practical application, and that I have sufficient competence in the audit of self-managed superannuation funds to accept responsibility for the assurance opinion that will be issued.

I acknowledge that during the compliance engagement I will apply professional scepticism, exercise my professional judgment, and apply assurance skills and techniques in the planning and performing of the compliance engagement.

 X

I am required to form an opinion in respect of compliance with certain aspects of the SISA and the Regulations thereto - being the Superannuation Industry (Supervision) Regulations 1994 (“SISR”), referred to as the Listed Provisions below. I direct your attention to the fact that each trustee is responsible for ensuring compliance with SISA and SISR. I note each trustee is responsible for providing access to all information that is relevant to the compliance engagement, and any additional information that may be required as part of the compliance engagement.

I note this is a direct engagement, and the compliance aspect of my audit is considered to be a reasonable assurance engagement, that is, I am required to plan the compliance engagement to reduce the engagement risk to an acceptably low level. The compliance aspect of the assurance report is intended to be used by the trustee of the fund, and the legislative provisions requiring audit are determined by the Australian Taxation Office (“ATO”) (the “Listed Provisions”). The assurance report, applicable to the year ended 30 June, 2022 must refer to the following SISA sections and SISR regulations:

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K; and

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA.

The above Listed Provisions (also known as the applicable criteria) define the scope of the compliance engagement, and are the only compliance requirements being covered by this compliance engagement.

I am also required to establish whether various pre-conditions for the compliance aspect of my audit are present.

The trustee is responsible for complying with the Listed Provisions, including the identification of risks that might threaten fund compliance. The trustee is responsible for designing and maintaining internal controls to mitigate these risks, including the risk of fraud in the hope that these risks do not prevent the fund’s ability to comply with the Listed Provisions.

Your signature below evidences your understanding and acknowledgement of these responsibilities, and confirms the pre-conditions have been met by each trustee.

### **Audit Communication - Significant Matters**

Under Section 129 of the SISA I am required to report to you in writing, if during the course of, or in connection with my audit, I become aware of certain contraventions of the SISA or SISR which I believe has occurred, are occurring or may occur. There are instances where I will be obligated to report the contravention(s) to the ATO. I am also required under section 130 of the SISA to report to you and the ATO if I believe the fund may be about to become, or may be in an unsatisfactory financial position.

There may also be instances where I am obligated to report to the ATO under section 130BA of the SISA.

 X

### **Audit Communication – Other Matters**

At the completion of the compliance audit I will incorporate into my audit management letter details of any non-compliance (unless considered clearly trivial) with laws and regulations not already communicated above under significant matters.

## Privacy and Quality Control

The conduct of my audit in accordance with Australian Auditing Standards means that information acquired by me in the course of my audit is subject to strict confidentiality requirements. I am also subject to the Privacy Act 1988 in the handling of personal information. I will not use any personal information obtained during the audit for any purpose other than for the purpose of conducting the audit.

I will keep secure personal information obtained during the audit to ensure it is not misused, lost, or improperly accessed, modified or disclosed. After completing the audit, I will return to you any documents containing personal information that I obtain from you during the course of the audit, except for copies or extracts as required to be retained by auditing standards.

Information will not be disclosed by me to other parties except as required or allowed for by law or professional standards, or with your authority. My audit files may be subject to review as part of the quality control review program of The Chartered Accountants Australia New Zealand ("CAANZ") which monitors compliance with professional standards by its members. My audit files may also be subject to review by the ATO or as part of any review required by the Australian Securities and Investments Commission ("ASIC"). I advise you that by signing this letter you acknowledge that, if requested, my audit files relating to your audit will be made available under any of these review programs. Should this occur I will advise you. The same strict confidentiality requirements apply under the CAANZ, ATO and ASIC reviews that apply to myself as your auditor.

## Fees

Fees, which will be billed as work progresses, are based on the time required to complete the engagement, plus direct out-of-pocket expenses. It is policy that my fees be collected within 14 days from the date the invoice was issued, and I trust that this arrangement is acceptable to you.

Fees are charged at the following hourly rates:\*

Partner / Director	\$400
Manager / Supervisor	\$
Senior Auditor	\$
Junior Auditor	\$
Administrative / Secretarial	\$156

\*Plus GST

A fixed price of \$550 (including GST) has been agreed with your accountant. The above applies where there is extended delays in responding to requests, complex issues and contraventions.

 X

This letter will be effective for future years unless I advise you of its amendment or replacement, or if the engagement is terminated. Notwithstanding your (or my) right to terminate this engagement, there

# Short Kenyon & Crane

To the SMSF trustees of the **The Stanley Super Fund**

## **PART A: FINANCIAL AUDIT**

### **Opinion**

I have audited the special purpose financial report of the **The Stanley Super Fund** comprising the statement of financial position as at 30 June, 2022, and the operating statement for the year then ended, a summary of significant accounting policies and other explanatory notes.

In my opinion, the financial report presents fairly in all material respects, in accordance with the accounting policies described in the notes to the financial report, the financial position of the fund at 30 June, 2022 and the results of its operations for the year then ended.

### **Basis for Opinion**

My audit has been conducted in accordance with Australian Auditing Standards (issued by the Auditing and Assurance Standards Board). My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to this audit and as required by the *Superannuation Industry (Supervision) Regulations 1994* (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm or network firm [select the appropriate option] (did not prepare the financial statements for the fund / did prepare the financial statements for the SMSF but it was only a routine or mechanical service and appropriate safeguards were applied). Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### **Emphasis of Matter – Basis of accounting**

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist the **The Stanley Super Fund** meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes, and should not be distributed to parties other than the trustees. My opinion is not modified in respect of this matter.

### **Responsibilities of SMSF trustees for the financial report**

Each SMSF trustee (individual trustee or director of the corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

SELF-MANAGED SUPERANNUATION FUND  
INDEPENDENT AUDITOR'S REPORT (CONT'D)

The Stanley Super Fund

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund, or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

**Approved SMSF auditor's responsibility for the audit of the financial report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of an internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I may identify during the audit.

**PART B: COMPLIANCE ENGAGEMENT**

**Opinion**

I have undertaken a reasonable assurance engagement on The Stanley Super Fund's compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year ended 30 June 2022.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

In my opinion, each trustee of The Stanley Super Fund has complied in all material respects, with the listed provisions, for the year ended 30 June 2022.

**Basis for Opinion**

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Independence and quality control**

I have complied with the independence and other ethical requirements relating to assurance engagements, and applied Auditing Standards ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* / ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagement*<sup>1</sup> in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

**SMSF trustees' responsibilities**

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

**Approved SMSF auditor's responsibilities**

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June, 2022. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustee have complied, in all material respects, with the listed provisions for the year ended 30 June 2022.

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year ended 30 June 2022.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

**Inherent limitations**

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June, 2022 does not provide assurance on whether compliance with the listed provisions will continue in the future.

*Resolution of Trustee to adopt Investment Strategy*

**STANLEY NOMINEES PTY LIMITED**

**(A.C.N 610 481 920)**

**AS TRUSTEE OF THE STANLEY FAMILY FUND**

**RESOLUTION OF DIRECTORS OF TRUSTEE MADE ON 1 DECEMBER 2022**

AT 1/12/2022.

We, the undersigned being the Directors of Trustee of **The Stanley Family Fund** DO HEREBY RESOLVE as follows:

**INVESTMENT STRATEGY OF THE STANLEY FAMILY FUND**

**BUSINESS:**

It was noted that under the Superannuation Industry (Supervision) Act, the Superannuation Industry (Supervision) Regulations and under the provisions in the deed of the Fund that it is a requirement for the trustee to have an investment strategy for the fund having regard to a number of circumstances.

Regulation 4.09 of the *Superannuation Industry (Supervision) Regulations 1994* states:

The trustee of the entity must formulate, review regularly and give effect to an investment strategy that has regard to the whole of the circumstances of the entity including, but not limited to, the following:

- (a) The risk involved in making, holding and realising, and the likely return from, the entity's investments, having regard to its objectives and expected cash flow requirements;
- (b) The composition of the entity's investments as a whole, including the extent to which they are diverse or involve exposure of the entity to risks from inadequate diversification;
- (c) The liquidity of the entity's investments, having regard to its expected cash flow requirements;
- (d) The ability of the entity to discharge its existing and prospective liabilities;
- (e) Whether the trustees of the fund should hold a contract of insurance that provides insurance cover for one or more members of the fund.

The Trustees need to consider:

- The risk involved in making, holding and realising, and the likely return from, the Fund's investments having regard to its objectives and its expected cash flow requirements;
- The composition of the Fund's investments as a whole including the extent to which the investments are diverse or involve the Fund in being exposed to risk from inadequate diversification;
- The liquidity of the Fund's investments having regard to its expected cash flow requirements;
- The ability of the Fund to discharge its existing and prospective liabilities;

- The Fund profile;
- Anticipated future contributions;
- Past investment performance; and
- The current investment portfolio and asset mix, which objectives and strategy are set out in the Investment Policy Statement annexed to this resolution

A new draft strategy was produced. Under the investment strategy the investment objectives are set out and then a strategy is adopted. The essence of this strategy is to seek a long term diversified portfolio mix of a number of asset classes. The Trustee noted that the objective included a minimum rate of return of at least 2% over any increase in the Consumer Price Index over any five year period.

It was noted that regard need to be made to an appropriate level of diversification in the investment in the fund. The investment strategy noted that a single asset strategy may be adopted for the fund provided the investment meets the criteria of the fund and the trustee try to ensure diversification in the portfolio at a later date as contributions are made to the Fund and income is derived.

Under the investment strategy, prior to any investment in fine art, collectible items, antiques and paintings a valuation should be undertaken by an appropriately qualified person.

Further under the investment strategy, the trustees must consider investments suggested by members provided that they satisfy the investment objectives of the Fund and are made on an arm's length basis.

After considering the provisions of the tabled investment strategy it was resolved that the investment strategy should be adopted for the Fund, as set out on the attached investment strategy.

**CLOSURE:** There being no further business the meeting was declared closed.

**CONFIRMED:**

---

Signed on behalf of the Trustee for the Fund

# THE STANLEY FAMILY FUND INVESTMENT STRATEGY

---

## Overview

The aim of this strategy is to provide benefits for Members, as well as death/disablement protection for Members.

## Investment Objectives

The Trustee will at all times act prudently to maximise the rate of return, subject to acceptable risk parameters, and maintenance of appropriate diversification across a broad range of assets.

Having considered the risk profile of the fund, the trustee has adopted the following objectives for the investment of assets of the fund;

- to achieve an investment return (based on market values and net of tax and charges) that exceeds the CPI by at least 3% per annum when measured over a rolling 5 year period.
- to have a probability of zero or negative returns in any 12 Month period of less than one in 10 years;
- to have sufficient liquidity to meet liabilities as and when they fall due.

## Insurance

The Trustees have considered the issue of insurance for all members, based on the signed letters received from Members dated 1/12/2022 which are attached to and form part of this document.

It has been decided that the insurance cover currently in place is appropriate to the needs of members at this time.

## Investment Strategy

The fund will invest in a portfolio of assets according to market conditions and within the ranges specified below:

### Asset Name with Minimum & Maximum %

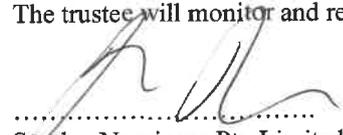

Australian Equities:  
Min - 0 %  
Max - 95%

Shares in Unlisted Overseas Companies:  
Min - 0 %  
Max - 20%

Cash:  
Min - 0 %  
Max - 100%

Quality companies and trusts as supported by research and fundamental analysis will be selected. Direct investments in property, artwork and lease equipment may form part of the strategy provided there is sufficient basis for the decision.

The trustee will monitor and review the performance of these investments on a regular basis.

Stanley Nominees Pty Limited

1 December 2022

**INVESTMENT OBJECTIVES AND INVESTMENT STRATEGY  
FOR THE STANLEY FAMILY FUND**

**INVESTMENT POLICY STATEMENT**

The Stanley Family Fund (“the Fund”) is a regulated Superannuation Fund established on 16<sup>th</sup> February, 2016 to provide benefits for Members as well as death/disablement protection for Members. Membership of the Fund is voluntary, and upon joining, Members are required to provide certain minimum information to the Trustee.

The current intention is to pay benefits upon retirement of the Members. The Trustee shall invest Fund assets having regard to the need to realise the investments at the Members dates of retirement (or such later date as the Members nominate in accordance with the rules of the Trust Deed).

The Fund’s member is aged 65 at the time of this Statement, it is not intended that other members will be admitted to the Fund. The current intention is to pay lump sum/ allocated pension benefits upon retirement of the members. The Trustee shall invest Fund assets having regard to the needs of the members.

**INVESTMENT OBJECTIVES**

The aim of the investment strategy of The Stanley Family Fund (“the Fund”) is to accumulate funds for the payment of superannuation benefits as set out in the trust deed governing the Funds operations.

The Trustee has considered the following investment objectives in formulating the investment strategy for the Fund:

The Trustee will:

- At all times act prudently to pursue the maximum rate of return as possible subject to acceptable risk parameters, and the maintenance of whatever diversification that can be achieved with modest assets
- Ensure that all investments are authorised under the trust deed and are made for the sole purpose of providing benefits to Members
- Establish within the Fund a tolerance to short term fluctuations in income and capital values given the profile of the ages of the Members
- Invest to ensure sufficient liquidity is retained within the Fund to meet benefit payments due, and will adjust its specific objectives where it believes the risk profile of the Fund has changed. The liquidity of the Fund must also be considered in light of the cash flow requirements of the Fund
- Have proper regard to the risks associated with the investments given the Fund’s objectives and cash flow requirements
- Have proper regard to the composition of the Fund’s investment portfolio, including diversification of the Investments
- Have proper regard to the ability of the Fund to meet its current and prospective liabilities
- Make investments in conjunction with Members of The Fund, provided they are undertaken on an arms length basis
- Consider suggestions from Members for specific investments in relation to the Member, and may make investments in accordance with those suggestions provided that they fall within the investment strategy of the Fund

Having considered the liability profile of the Fund, the Trustee has adopted the following objectives for the assets of the Fund:

- a) To achieve an investment return (net of tax and charges) that exceeds CPI by at least 2% per annum when measured over a rolling 5 year period;
- b) To have a low expectation of negative returns in any 12 month period

The investment objectives of the Fund will be reviewed annually and at such other times as a significant event occurs which affects the Fund

## INVESTMENT STRATEGY

In order to achieve the investment objectives of the Fund, the Trustee wishes to adopt and pursue the strategy set out hereunder. The Trustee reserves the right to implement more than one strategy as it sees fit, and to offer separate strategies to Members. The Trustee also reserves the right to implement separate and different action plans in the acquisition and disposal of assets pursuant to this strategy.

### Diversification:

The Trustee wishes to implement as much diversification as it is able given the assets of the Fund and elects to diversify amongst a number of investments. In considering the degree of diversification appropriate to the Fund, the Trustee has determined to take into account:

- The existing assets of the fund;
- The existing assets of the family of the Members of the fund;
- The existing assets of the Members of the fund in complying superannuation funds; and
- The Funds access to expert investment advice

With regard to the investment objectives the Trustee has adopted an investment strategy of seeking in the long term a diversified portfolio mix of the following asset classes:

- Real property including both direct and indirect investment by the acquisition of units in a property holding unit trust
- Shares, options, and other rights to shares including both direct investment and indirect investment through equity trusts or other pooled investment vehicles
- Cash including fixed interest term deposits, bonds, cash management trusts and appropriate derivative products
- Other assets including fine art, collectable items, antiques and paintings. If these are invested in the Trustee will obtain a valuation from an appropriate qualified valuer prior to the investment being made

Each asset class should be considered on its own merits at the particular time the investment is proposed having regard to always maintaining an appropriate degree of diversification.

A single asset strategy may be adopted for the Fund if the asset which is proposed meets the investment criteria of the Fund. If a single asset strategy is adopted then the Trustee will look to diversify the Fund at a later date when further contributions are made to the Fund and income is derived by the Fund. If a single asset strategy is adopted then the Trustee needs to ensure there is a method of liquidity maintained in the Fund to ensure benefits can be paid to members in accordance with the terms of the Trust Deed.

All investments will be made on an arm's length basis and will be acquired, maintained or disposed of on commercial terms at market rates of return.

The Trustee considers that this investment strategy fulfils the principal strategy of the fund which is to maximise returns to members having regard to risk and the investment objective of the Fund.

### Monitoring

To monitor the success of the investments policy in achieving the investment objectives, the Trustee will take the following action:

- a) Compare investment returns against investment objectives on an annual basis;
- b) Compare investment returns against cash rates available over a 12 month period and review this strategy on an annual basis or on such other basis as it believes appropriate

The Trustee will measure its success criteria against certain benchmarks and indices. The nominated benchmarks for performance will be as follows:

- a) Australian shares – all ordinaries
- b) Liquid assets – average cash management trusts
- c) Australian fixed trusts – commonwealth all series all maturities and accumulation index
- d) Property trusts – average of composite property accumulation index

## **ASSET MANAGEMENT STRATEGY**

The Trustee will have regard to the following principles in the implementation of its investments strategy and the actual making of its investments:

### Unit Trusts

Prior to acquiring or disposing of any units in an unlisted unit trust the Trustee will obtain and consider property and rental valuations of all property held by the unit trust. The Trustee will do so to satisfy itself that the price of the units reflect true market values and constitutes a prudent investment/disposal on an arm's length basis.

The Trustee will also ascertain the intentions of the trustee of the unit trust in relation to borrowing's (if any) and the use of the property as security.

### Direct Property

Prior to acquiring or disposing of any property to be held directly by the Fund the Trustee will obtain and consider property and rental valuations to satisfy itself that the price of the property reflects true market value and constitutes a prudent investment/disposal in an arm's length basis.

In obtaining a tenant (if any) for any property held by the Fund the Trustee may enter into a lease with an employer sponsor or an associate provided that a written lease agreement is made and the transaction is entered into on an arm's length basis with regular rental reviews.

In determining the proportion of Fund assets to be invested directly in property, the Trustee shall take into account the liability profile and liquidity requirements of the Fund.

### Shares in Private Companies

The Trustee will also ascertain the intentions of the Directors of the company in relation to borrowing's (if any) and the use of the property as security taking into account the security and dividend return from the shares.

### Shares in Public Company

Prior to acquiring (or disposing) of any shares in public companies, the Trustee shall consider the portfolio profile of the Fund and the diversification of shareholding across different market sectors (industrial, retail, banking, etc.) with a view to attempting to obtain a reasonable diversification with modest assets.

The Trustee shall also take into account advice in relation to expected capital growth and dividend income.

### Debentures/First Mortgages

Prior to investing in any debentures/first mortgages the Trustee shall consider the period of investment, the security offered, the accessibility of funds, the return, and likely rate movements.

### Cash Management

Prior to investing or realising any cash management funds the Trustee shall consider the rate of return and security of such investment against the expected rate of return offered by alternative investments to cash.

### Artwork/Antiques/Collectibles

Prior to acquiring any collectibles as an investment of the Fund the Trustee will obtain an independent professional valuation from a qualified valuer and will ensure the asset represents a minor part of Fund assets. It will investigate future saleability of the asset and the likely price movements in future.

Prior to leasing any collectibles held by the Fund to any party the Trustee shall determine the commercial rental rate having regard to advice which the Trustee shall obtain from a qualified source. Any such lease shall only be entered into under a written lease agreement made on an arm's length basis with an obligation for full maintenance insurance.

Prior to disposing of any collectibles held by the Fund, the Trustee will obtain an independent professional valuation from a qualified valuer. The Trustee shall also determine whether the proposed timing of the disposal is in the best interest of Members having regard to the fluctuations in the value of the type of collectible of which the Trustee wishes to dispose.

### Members Suggestions

The Trustee may consider and accept suggestions from any Member regarding the investment of Fund assets for the Member, and make investments in accordance with these suggestions.

The Trustee shall only adopt investment suggestions from a Member if the resulting investment meets the Fund investment objectives as reflected through the investment strategy and the Trustee determines that the investment is prudent.

# Minutes of a meeting of the Director(s)

held on 24 November 2022 at

---

**PRESENT:**

**MINUTES:**

The Chair reported that the minutes of the previous meeting had been signed as a true record.

**FINANCIAL STATEMENTS OF SUPERANNUATION FUND:**

It was resolved that the financial statements would be prepared as special purpose financial statements as, in the opinion of the directors of the Trustee Company, the Superannuation Fund is not a reporting entity and therefore is not required to comply with all Australian Accounting Standards.

The Chair tabled the financial statements and notes to the financial statements of the Superannuation Fund in respect of the year ended 30 June 2022 and it was resolved that such statements be and are hereby adopted as tabled.

**TRUSTEE'S DECLARATION:**

It was resolved that the trustee's declaration of the Superannuation Fund be signed.

**ANNUAL RETURN:**

Being satisfied that the Fund had complied with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and Regulations during the year ended 30 June 2022, it was resolved that the annual return be approved, signed and lodged with the Australian Taxation Office.

**TRUST DEED:**

The Chair tabled advice received from the Fund's legal adviser confirming that the fund's trust deed is consistent with all relevant superannuation and trust law.

**INVESTMENT STRATEGY:**

The allocation of the Fund's assets and the Fund's investment performance over the financial year were reviewed and found to be within the acceptable ranges outlined in the investment strategy. After considering the risk, rate of return, diversification and liquidity of the investments and the ability of the Fund to discharge its existing liabilities, it was resolved that the investment strategy continues to reflect the purposes and circumstances of the Fund and its members. Accordingly, no changes in the investment strategy were required.

**INSURANCE COVER:**

The trustee(s) reviewed the current life and total and permanent disability insurance coverage on offer to the members and resolved that the current insurance arrangements were appropriate for the Fund.

**ALLOCATION OF INCOME:**

It was resolved that the income of the Fund would be allocated to the members based on their average daily balance (an alternative allocation basis may be percentage of opening balance).

**INVESTMENT ACQUISITIONS:**

It was resolved to ratify the investment acquisitions throughout the financial year ended 30 June 2022.

**INVESTMENT DISPOSALS:**

It was resolved to ratify the investment disposals throughout the financial year ended 30 June 2022.

**AUDITORS:**

It was resolved that

*Lawrence Crane*

of

*PO Box 1061  
Crows Nest*

act as auditors of the Fund for the next financial year.

**TAX AGENTS:**

It was resolved that

Catriona Jane Rogers

# Minutes of a meeting of the Director(s)

held on 24 November 2022 at

---

act as tax agents of the Fund for the next financial year.

**TRUSTEE STATUS:**

Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the Fund and that they are not disqualified persons as defined by s 120 of the SISA.

**CONTRIBUTIONS RECEIVED:**

It was resolved that the contributions during the year be allocated to members on the basis of the schedule provided by the principal Fund employer.

**ACCEPTANCE OF ROLLOVERS:**

The trustee has ensured that any rollover made to the Fund, meets the requirements of the Fund's deed and does not breach the superannuation laws in relation to:

1. making rollover between Funds; and,
2. breaching the Fund or the member investment strategy.

The trustee has reviewed the rollover and received advice that the rollover is in accordance with the Trust Deed and the rules of the Fund and the superannuation laws. As such the trustee has resolved to accept the rollover on behalf of the member.

**PAYMENT OF BENEFITS:**

The trustee has ensured that any payment of benefits made from the Fund, meets the requirements of the Fund's deed and does not breach the superannuation laws in relation to:

1. making payments to members; and,
2. breaching the Fund or the member investment strategy.

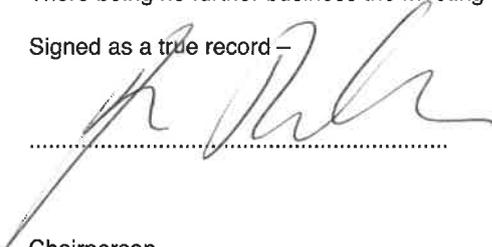

The trustee has reviewed the payment of the benefit and received advice that the transfer is in accordance with the Deed and the superannuation laws. As such the trustee has resolved to allow the payment of the benefits on behalf of the member.

**CLOSURE:**

All resolutions for this meeting were made in accordance with the SISA and Regulations.

There being no further business the meeting then closed.

Signed as a true record –

.....

Chairperson

## Stanley Family Fund Trustees Declaration

---

The directors of the trustee company have determined that the Fund is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The directors of the trustee company declare that:

- (i) the financial statements and notes to the financial statements for the year ended 30 June 2022 present fairly, in all material respects, the financial position of the Superannuation Fund at 30 June 2022 and the results of its operations for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements;
- (ii) the financial statements and notes to the financial statements have been prepared in accordance with the requirements of the trust deed; and
- (iii) the operation of the superannuation fund has been carried out in accordance with its trust deed and in compliance with the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations during the year ended 30 June 2022.

Specifically, the directors of the trustee company declare that:

- in accordance with s120 of the Superannuation Industry (Supervision) Act 1993, no individual trustee has been or is a disqualified person;
- the Fund has satisfactory title to all assets, all assets are unencumbered and free from charge as prescribed by s50 of the Superannuation Industry (Supervision) Act 1993 and reg13.14 of the Superannuation Industry (Supervision) Regulations 1994; and
- to the knowledge of the directors of the trustee company, there have been no events or transactions subsequent to the balance date which could have a material impact on the Fund. Where such events have occurred, the effect of such events has been accounted and noted in the Fund's financial statements.

Signed in accordance with a resolution of the directors of the trustee company by:

24 November 2022

Clissa Mela

## Notes to the Financial Statements

For the year ended 30 June 2022

---

### Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the Superannuation Fund is not a reporting entity because it is not publicly accountable and is not required by law or governing document to prepare financial statements that comply with Australian Accounting Standards. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations, the trust deed of the Fund and the needs of members.

The financial statements have been prepared on a cash basis and are based on historical costs, except for investments which have been measured at market value.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

The financial statements were authorised for issue by the Director(s).

#### a. Measurement of Investments

The Fund initially recognises:

- (i) an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered to be the date on which control of the future economic benefits attributable to the asset passes to the Fund; and
- (ii) a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the Fund have been measured at market value, which refers to the amount that a willing buyer could reasonably be expected to pay to acquire an asset from a willing seller if the following assumptions were made:

- that the buyer and the seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market value has been determined as follows:

- (i) shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- (ii) units in managed funds by reference to the unit redemption price at the end of the reporting period;
- (iii) fixed-interest securities by reference to the redemption price at the end of the reporting period;
- (iv) unlisted investments are stated at trustees' assessment based on estimated market value at balance date or where necessary, an external valuer's opinion; and
- (v) investment properties at the trustees' assessment of the market value or where necessary a qualified independent valuer's opinion at the end of reporting period.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the end of the reporting period. The trustees have determined that the gross values of the Fund's financial liabilities is equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members' accrued benefits) are recognised in the operating statement in the periods in which they occur.

#### b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and subject to an insignificant risk of change in value.

#### c. Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is recognised at the fair value of the consideration received or receivable.

Stanley Family Fund  
**Notes to the Financial Statements**  
For the year ended 30 June 2022

---

**Interest revenue**

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

**Dividend revenue**

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

**Rental revenue**

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

**Distribution revenue**

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distribution and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

**Remeasurement changes in market values**

Remeasurement changes in the market values of assets are recognised as income and determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if acquired during the period).

**Contributions**

Contributions and transfers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

**d. Liability for Accrued Benefits**

The liability for accrued benefits represents the Fund's present obligation to pay benefits to members and beneficiaries, and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

**e. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or other payables in the statement of financial position.

**f. Critical Accounting Estimates and Judgements**

The preparation of financial statements requires the trustees to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.
