## Rollover benefits statement

### When to use this statement

Use this form for all rollover benefits transactions other than death benefit rollovers.

If you need to rollover a death benefit, use NAT 74924-06.2017.

If you need to correct an error for a payment made before 1 July 2013, use NAT 70944-06.2007.

Complete this form (or a similar form you create that collects the same information) if you are a trustee of a superannuation fund or provider of a retirement savings account (RSA) and any of the following apply:

you are paying a rollover superannuation benefit other than a death benefit rollover to another fund or RSA, and you are not already providing all of this information electronically under the rollover data standards

you have paid a rollover superannuation benefit to another fund or RSA and are providing a statement about the rollover to your member

you are the trustee of a non-complying fund and are paying member benefits to another superannuation fund or RSA (complete section D instead of section C).

You must provide your member with a member statement using this form (or a similar form you create that includes the same information) for all rollovers, including if you applied the data standards and you didn't use this form for the fund-to-fund transaction.

### Completing this statement

Print clearly in BLOCK LETTERS using a black pen only.

Place **X** in ALL applicable boxes.

Use a separate form for each rollover payment you are making.

Read the instructions carefully. Penalties may apply if you make a false or misleading statement on this form without taking reasonable care.
