 **Important information**

This report has been prepared using an estimate of your cash balance based on the most recent information available to Netwealth for the reporting period selected. The amounts shown are reflective of transactions over the period, but do not represent a guarantee in the value of your cash. This is because the amounts may not take into account all income entitled to be received, and/or any fees, costs, taxes or other amounts liable to be paid. If you request to make a withdrawal, the actual amount available will be determined at the time any such payment is made. The effect of displaying figures to 2 decimal places may lead to some rounding errors.

'Contributions, deposits & transfer-ins' capture contributions, asset transfer-ins, deposits and other portfolio inflows. Asset transfer-ins are valued at the market price as at the date of transfer to Netwealth.

'Withdrawals, payments & transfer-outs' capture withdrawals, asset transfer-outs, insurance premiums, payments and other portfolio outflows.

'Corporate actions & return of capital' captures corporate actions, such as rights issues, share splits, etc, in addition to return of capital and call payment transactions.

'Taxes' include income taxes that have been withheld from and/or refunded to your Wrap Service account (if applicable).

'Net income' is calculated as:

- the sum of all income, fee rebates and tax benefits (if applicable)
- less fees, taxes (if applicable), transaction costs and other expenses.
