**Note 1 - Statement of Significant Accounting Policies**

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

**(a) Statement of Compliance**

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because the members are able to command the preparation of tailored reports so as to satisfy specifically all of their information needs and there are no other users dependent on the financial statements. The financial statements are therefore special purpose financial statements that have been prepared in accordance with the legislative requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994* and the provisions of the Trust Deed. The trustees have determined that the accounting policies adopted are appropriate to meet their needs.

**(b) Basis of Preparation**

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

**(c) Use of Accounting Estimates and Judgments**

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

**(d) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

**(e) Foreign Currency**

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

**(f) Valuation of Assets**

*Investment*

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of *S/SA 1993*, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

---

# **The Lordi Family Super Fund**

## **Notes to the Financial Statements**

### **As at 30 June 2022**

---

Market values for various types of investment have been determined as follows:

- i. listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

#### *Financial Liabilities*

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

#### *Receivables and Payables*

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

### **(g) Revenue Recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

#### *Interest*

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

#### *Dividend Revenue*

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

#### *Distribution Revenue*

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

#### *Rental Income*

Rent from investment properties is recognised by the Fund on a cash receipt basis.

#### *Movement in market values*

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

#### *Contributions and Rollovers In*

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

The financial report was authorised for issue on 16 December 2022 by the trustee of the fund.

## NOTES FOR PERSONS SIGNING SUPER FUND INCOME TAX RETURNS

These notes should be read carefully by each person signing an income tax return, in light of their knowledge of their own affairs, to ensure there are no inaccuracies in the return.

### RESPONSIBILITIES

Whilst we have exercised due care in preparing the returns from information supplied to us, the provisions of the *Income Tax Assessment Act* place the responsibility for the contents of the returns (including the need to obtain the necessary substantiation records) with the taxpayer. Accordingly, would you please check the details disclosed in the returns to satisfy yourselves that the returns are correct.

### SELF ASSESSMENT

As you would be aware, self assessment system of income tax returns is now in full force for individuals. That is, the Australian Taxation Office will accept and issue assessments based on the income tax return that is lodged, generally without any query.

This does not mean the Australian Taxation Office accepts the information contained in the return and at a later date it may request further information in relation to the claims you have made in your return.

Self assessment has not only shortened lodgement deadlines but has greatly increased the burden of paperwork to be prepared and retained by tax agents. We are now required to prepare detailed work papers which must be retained on our files for production to the Australian Taxation Office if required at a future date.

### TRUE AND FULL DISCLOSURE

Your attention is drawn to the following important considerations to ensure the correctness of each income tax return:

- that income from all sources has been disclosed;
- that all deductions claimed can be justified;
- that all deductions claimed for work, car and travel expenses
- can be substantiated by the required records and receipts;
- that all statements are correct and complete.

### CAPITAL GAINS TAX AND OVERSEAS INCOME

Every sale of property, of any description, should be considered for the possible application of both income tax and capital gains tax.

The world-wide income of Australian resident taxpayers is now taxable in Australia with a credit allowed for the income tax paid in a foreign country on that income.

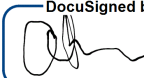

### FALSE AND MISLEADING STATEMENTS

If an answer to a question or any statement made in an income tax return, or an attached schedule, appears to be incorrect, incomplete or misleading, please provide the information needed to amend the return.

Penalties may be imposed for an incorrect return up to double the amount of additional income tax subsequently assessed. These penalties may apply even if the error was made innocently. Alternatively, in more serious cases, prosecutions may be instituted under the *Taxation Administration Act 1953* and fines imposed by the Courts, if convicted.

### RETENTION OF RECORDS

It is a requirement that you substantiate all deductions claimed in your income tax returns. This includes keeping original documentation to verify the expenditure claimed. This documentation must be retained for 7 years. You should ensure that you retain all the documentation in a safe and secure place in case the Australian Taxation Office wishes to review these documents.

- e) records all time so as to enable you to be aware of the extent of the work performed for you; and
- f) will, if requested, provide an estimate of our billing prior to the commencement of an engagement.

## REVIEW AND PREPARATION OF FINANCIAL STATEMENTS

As and when required throughout the year we will review your records and where applicable process certain data to enable the preparation of Interim and End of Year Financial Statements.

The Financial Statements will be based on the information you provide to us and other information that our office accesses via services such as Class Super if you have authorised us to do so. As a result:

- You and your employees (if applicable) are responsible for the maintenance of the accounting systems and internal controls for your superannuation fund. That includes the keeping and maintenance of all required books of account.
- Virtu Super is not being engaged to conduct a statutory audit of the superannuation fund and we will not express an Auditor's opinion as to the truth and fairness of the Financial Statements. The Statutory Audit will be conducted by our external auditor on an independent basis. The nominated

# Terms of Engagement

auditor will separately address you with regard to the Audit Engagement, as required each financial year.

- Our engagement cannot be relied upon to disclose irregularities including fraud, other illegal acts and inherent errors that may exist. However, we will inform you of any such matters that may come to our attention during our review of your data.
- This engagement will be conducted in accordance with the relevant standards and ethical requirements of the Institute of Chartered Accountants in Australia.
- Our reports will be prepared for distribution to Members for the purpose noted above. We disclaim any assumption of responsibility for any reliance on our report to any person other than the Members and for any purpose other than for which it was prepared.

## PREPARATION AND LODGEMENT OF INCOME TAX RETURNS

We will prepare and lodge the Fund's Income Tax Return based on the Financial Statements prepared.

As mentioned earlier, while we will be assisting you in the preparation of Financial Statements and your SMSF Income Tax Return, it is agreed that Virtu Super will not be undertaking any independent audit of the Financial Statements or Income Tax Return prepared.

Our role will be limited to the compilation of the Financial Statements and preparation of the relevant Taxation Return based on the information & records provided by you to us.

The Financial Statements prepared will be audited by an approved Auditor and an Audit Report will be issued under a separate Engagement Agreement each year.

While our engagement does not include the abovementioned audit, we are required by the *Tax Agents Services Act 2009* to satisfy ourselves as to the reasonableness of the information and claims being made in your Income Tax Return. The Legislation provides the basis for this and may require us to make further enquiries with you from time to time in relation to your Taxation Return. Where possible, we will endeavour to identify the information that will be required in advance.

We are entitled to rely on the records provided as being both accurate and complete.

We will have your Income Tax Return lodged on time, as required by the Australian Taxation Office, providing we are in receipt of all information to prepare your Return no later than two months prior to the due date for lodgement. This avoids the delays that generally occur in our Firm just prior to lodgement.

This length of time also ensures that if required, we have sufficient time to arrange the audit of the Fund, which must also be completed before lodging the Tax Return.

We will take all possible steps to have your Return lodged on time, however we offer no guarantee unless we have received the information within the abovementioned timeframe.

**We also advise that we are legally prevented from electronically lodging your Income Tax Return until such time as we receive the signed Section K: Declarations and Electronic Lodgement Declaration.**

When Returns are left to the last minute, due to time constraints it may not be possible to have them forwarded to you for signature and back in our office by the due date.

## YOUR OBLIGATIONS AND RIGHTS

The *Tax Agents Services Act 2009* requires us to advise you of your rights and obligations where we are acting for you on taxation matters. In relation to the taxation services provided:

- You are subject to the self-assessment system in relation to any of your Income Tax Returns. The Commissioner is entitled to rely on any statements made in your Income Tax Returns. Where those statements are later found to be incorrect, the Commissioner may amend your Income Tax Assessments and, in addition to any tax assessed, you may also be liable for penalties and interest charges.
- You have an obligation to keep proper records that will substantiate the Taxation Returns prepared and which will satisfy the substantiation requirements of the *Income Tax Assessment Act*. Failure to keep such records could result in claims being disallowed, additional tax being imposed, and the imposition of penalty or general interest charges.
- You are responsible for the accuracy and completeness of the particulars and information required to comply with the various Taxation Laws. We will use this information supplied in the preparation of your Returns.
- Your rights as a taxpayer include:
  - The right to seek a Private Ruling;
  - The right to object to an assessment by the Commissioner;
  - The right to appeal against an adverse decision by the Commissioner.

Certain time limitations may exist for you to exercise these rights. Should you wish to exercise these rights at any time, you should contact us so that we can provide you with the relevant timeframes and to discuss any additional requirements which may exist.

In the course of our engagement we will prepare various working papers and notes consistent with our internal quality control system. These working papers remain the property of our firm and will be retained by us to support any future queries on work completed. Original source records provided by you to us to assist in the completion of your work will be returned to you at the completion of each engagement. Where appropriate we may take copies to retain on your client file.

## CORPORATE AFFAIRS MATTERS

There are various requirements of the Australian Securities & Investments Commission (ASIC) that have to be attended to in relation to Companies that may be related to the Fund's activities, e.g. if you have a Trustee Company. This includes notifying ASIC of various changes to Directors and Shareholders, preparation and lodgement of Annual Company Returns, etc.

We do not act as an ASIC agent, however if you have requested us to attend to the Corporate Affairs matters on your behalf, we will engage Marsh Tincknell to prepare and lodge the appropriate documents in relation to matters that affect your Company as soon as practical after being provided with the information.

These documents will be forwarded to you for signature prior to lodgement. Many of these documents must be lodged within a short period of time after the change occurs. In this regard, documents not returned to our office by the due date will incur additional lodgement fees and/or additional processing fees. You will be advised of relevant due dates for lodgement.

The Corporate Affairs Division of Marsh Tincknell utilises an electronic recording system to keep track of all Company data. It

# Terms of Engagement

is not possible to maintain the integrity of this system if documents are lodged by other means. Details of a change are required to be input into our electronic system. In this regard, Marsh Tinknell must be informed of any changes or matters that may affect your Companies.

## **BUSINESS ACTIVITY STATEMENTS AND INSTALMENT ACTIVITY STATEMENTS**

Should we be instructed by you, we will prepare and lodge the appropriate BAS and IAS as and when required on a quarterly or monthly basis as soon as practical after being provided with the information to do so.

**At present, the deadline for lodgement of these documents is the 28<sup>th</sup> day after the end of each quarter (for quarterly lodgers).**

If we are not provided with the information by the 14<sup>th</sup> day of the particular lodgement month, we will not be able to guarantee that we will have the above Statements lodged on time. This is due to the extra-ordinary level of work imposed by the Australian Taxation Office on our Firm during the two weeks prior to lodgement dates.

If the information is provided after the 14<sup>th</sup> day of the said month, we will endeavour to have the documents lodged by the due date, however we cannot offer guarantees and penalties for late lodgement may be imposed (subject to extensions that may be provided by the Australian Taxation Office from time to time).

## **LIMITED POWER OF ATTORNEY**

The Australian Taxation Office requires your authorisation each time we lodge an Activity Statement on your behalf.

In order to streamline this process each month/quarter (rather than requiring your authority each time), you are able to appoint us as your Attorney to lodge these documents on your behalf.

**Please note that this will not entitle our office to lodge any other documents on your behalf with the Australian Taxation Office, such as Income Tax Returns, without you first reviewing and signing. The Limited Power of Attorney only relates to monthly and quarterly Activity Statements.**

## **AUTHORITY TO ACT ON YOUR BEHALF WITH THE ATO**

There are a number of functions we are required to carry out on your behalf with the Australian Taxation Office and in particular the following accounts for you and your associated entities.

- Income Tax Account
- Integrated Client Account
- BAS Roles

The Australian Taxation Office have advised that if we hold a signed Authority from clients to act on their behalf, then we can make various changes as they arise, update Communication Preferences and lodge the required documents without the need for your signature each and every time. Once you authorise our firm to act on your behalf (by signing this Engagement Agreement), we will undertake these functions until otherwise directed by you.

## **SPECIFIC MATTERS TO BE RESEARCHED**

From time to time you may request advice from us which may not be able to be provided immediately, due to the issues and facts to be considered.

With the multitude of Superannuation and Taxation Law which we must consider, some questions you may ask may seem simple, however due to the complexities of the above, it may not be possible to provide you with an immediate answer.

More and more these days we are required to research and thoroughly consider all of your particular facts as they relate to the above Legislation, which not only takes time, but also involves the use of our Professional Team and in some cases external Consultants.

In these circumstances, the time taken by our Team to research and provide you with the appropriate response will be recorded through our Work In Progress System.

We will endeavour to provide you with an immediate and quick answer where appropriate, however to ensure that you receive a professional service and accurate advice a more detailed investigation into the facts may be required.

In addition, many questions may seem basic or similar to previous requests for advice, however every case generally has a different factor to be considered to the previous case and, as a result, may have a different outcome which warrants the additional research.

## **OTHER AREAS OF LAW**

We are not permitted by Law to advise in relation to legal matters (other than Taxation Law) such as Stamp Duty. We can provide general information as to the applicability of Stamp Duty Laws, if required, however we will refer you to your Legal Advisors for this advice.

If requested by you, we will endeavour to advise you of other areas of Law that may affect various transactions you undertake. If we are not able to provide you with advice, we can refer you to a suitably qualified professional, from whom you can seek the appropriate advice.

## **TELEPHONE & EMAIL ADVICE**

Telephone and email communications and advice are recorded in writing on your file for quality assurance and professional indemnity insurance purposes. We encourage you to telephone or email us for advice on matters of concern. However simple, the advice may save you significant time and money.

As set out in the attached Schedules, our fees are based on time, which includes telephone calls and email correspondence. Time spent by our Team in relation to these matters will be recorded on your WIP and may be billed to you at our discretion.

## **PRINCIPLES OF DETERMINING FEE LEVELS**

The attached fee schedule sets out information in relation to how our administration fees are determined. The fees are determined according to the level and structure of investments held by the fund.

Where it is necessary for us to quote a fee for work undertaken in relation to investments or structures which sit outside those listed on our fee schedule, then we will determine this quote on the basis of the time that we estimate it will take us to conduct the work required.

Our base fee for Fund Administration is payable monthly in advance by Direct Debit Authority and in this regard we enclose an Authority to commence making payment of our monthly fees.

The Institute of Chartered Accountants in Australia ("The Institute") recommends that its members conform to prescribed

# Terms of Engagement

guidelines in determining fee levels. The Institute does not issue a standard scale of professional fees due to the diversity of services offered by Chartered Accountants and the degree of skill attached to those services.

Additionally, the Institute does not intervene between an Accountant and client on the question of professional fees charged. However, the Institute has issued guidelines for establishing fee levels to ensure that, on the one hand you are fairly charged and, on the other, our firm performs for you.

The charge-out rates applied to the time incurred take account of staff salaries, direct costs associated with providing the service, and indirect costs associated with operating our Practice. These rates are reviewed on a periodic basis.

Special services, such as unusual audit and investigation assignments, trustee advisory services, and the need to provide these services at little or no prior notice, requires us to ensure we have the available staff with the necessary qualifications to handle all challenges that we may face. With ever changing superannuation and taxation laws, we are required to undertake significant education and training programs to ensure that we have the ability to provide you with the right advice. On many occasions (due to the ever changing laws), it is a necessity that specialist research will be undertaken on particular matters that pertain to your file. A clear record of all of this time is maintained.

The only commodity we have to sell is our knowledge and ability to perform accounting functions on your behalf. Therefore, to ensure an equitable remuneration to our Firm for the services we provide, an efficient record is maintained of time spent on your file.

We do not necessarily bill you for all the time that is allocated to your file, but the recording system does provide us with a guide as to the amount of time we have utilised in providing you with the highest quality service possible.

## ISSUING OF FEES

From time to time, we will issue invoices to you for the work that is carried out.

Any special assignments or work done by quotation will be invoiced upon completion. We reserve the right to progress bill in cases where the assignment continues for an extended period and would do so in \$1,000 instalments.

Upon completion of a financial year's work, we will issue an invoice covering the full year's work, including any supplementary fees payable according to our fee schedule. If applicable, this invoice will include a credit for any amounts paid on the monthly billing arrangement.

## CREDIT TERMS

Our credit terms are strictly 14 days from invoice.

However, where we are required to outlay monies on your behalf for services provided by external parties such as Solicitors or Actuaries, we will require a forward payment for this service.

As practice overheads are comprised of cash type items (primarily Wages and Rent), charge rates are based on the assumption of prompt settlement of billings. We are unable to offer extended credit without additional charge or prior arrangement. Our credit terms require payment in full within 14 days of receipt of our billing. No further assignments will be undertaken or advice given where any part of the billing remains overdue.

We issue Statements on a monthly basis for amounts outstanding at the end of the month.

We have appointed an Account Administrator who will liaise with you in relation to outstanding accounts or disputes.

As mentioned earlier, we generally issue bills on a regular basis, as and when work is carried out, or on a monthly or quarterly basis if this is more appropriate. If accounts are not paid on time, it may result in work being ceased on your file, which could jeopardise the preparation of Financial Statements and Tax Returns and lodgement of various documents on a timely basis.

## RESPONSIBILITY FOR PAYMENT OF ACCOUNTS

You have engaged us to perform work for yourself and/or entities you are associated with.

This Engagement Agreement sets out the conditions of the engagement between ourselves and yourselves as trustees of the Superannuation Fund. The issuing of fees and the carrying out of the work is undertaken on your behalf.

It is appropriate for accounts to be paid by the Superannuation Fund, rather than other related entities or by yourselves personally, however responsibility for unpaid accounts will be addressed to yourself personally.

If at any time you have a problem with your Account and are unable to resolve the matter with our Account Administrator, please feel free to contact me personally.

## REFERRALS

Our firm may refer you to an external service provider in circumstances where we believe them to be a good fit for you. In no way do we do this with the expectation of referrals or work from the provider in return.

There are associated entities that we may enter into a joint venture agreement with, for which we would receive a share of the profit.

Some service providers may refer clients to our firm or pay us a referral fee or commission. If any such fees or commissions are received from said provider, this will be fully disclosed to you.

Please note that it is always your choice when considering if the provider is suitable for your needs.

Audit Representation Letter from Trustee(s)

**The Lordi Family Super Fund ABN: 83514896564**

**Year ended 30 June 2022**

Dear Anthony,

This representation letter is provided in connection with your audit of the financial report of the Superannuation Fund (the Fund) and the Fund's compliance with the Superannuation Industry (Supervision) Act 1993 (SISA) and SIS Regulations (SISR), for the year ended 30 June 2022, for the purpose of you expressing an opinion as to whether the financial report is, in all material respects, presented fairly in accordance with the accounting policies adopted by the Fund and the Fund complied, in all material respects, with the relevant requirements of SISA and SISR.

The trustees have determined that the Fund is not a reporting entity for the year ended 30 June 2022 and that the requirement to apply Australian Accounting Standards and other mandatory reporting requirements do not apply to the Fund. Accordingly, the financial report prepared is a special purpose financial report which is for distribution to members of the Fund and to satisfy the requirements of the SISA and SISR. We acknowledge our responsibility for ensuring that the financial report is in accordance with the accounting policies as selected by ourselves and requirements of SISA and SISR and confirm that the financial report is free of material misstatements, including omissions.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

**1. Sole purpose test**

The Fund is maintained for the sole purpose of providing benefits for each member on their retirement, death, termination of employment or ill-health.

**2. Trustees are not disqualified**

No disqualified person acts as a director of the trustee company or as an individual trustee as defined by SISA.

**3. Fund's governing rules, trustees' responsibilities and fund conduct**

The Fund meets the definition of a self-managed superannuation Fund under SISA, including that no member is an employee of another member, unless they are relatives and no trustee or director of the corporate trustee receives any remuneration for any duties or services performed by the trustee or director in relation to the Fund.

The Fund has been conducted in accordance with its governing rules at all times during the year and there were no amendments to the governing rules during the year, except as notified to you.

The trustees have complied with all aspects of the trustee requirements of the SISA and SISR.

The trustees are not subject to any contract or obligation which would prevent or hinder the trustees in properly executing their functions and powers.

The Fund has been conducted in accordance with SISA, SISR and the governing rules of the Fund.

The Fund has complied with the requirements of the SISA and SISR specified in the approved form auditor's report as issued by the ATO, which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109 and 126K of the SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 and 13.18AA of the SISR.

All contributions accepted and benefits paid have been in accordance with the governing rules of the Fund and relevant provisions of the SISA and SISR taking into account contributions paid to other superannuation funds.

Appropriate Risk Management Statements have been prepared in accordance with the Guidelines set out in the APRA Circular on Risk Management Statements for Superannuation Entities investing in Derivatives.

There have been no irregularities involving the Trustee or any of the Trustee's management that could have a material effect on the financial statements.

We confirm that we have distributed all required reports and other information to members in the form and including the minimum information as required by the SISA at the relevant times specified by the SISA. This information has been distributed within the timeframe set out in the SISA and SISR.

#### **4. Investment strategy**

The investment strategy has been determined and reviewed with due consideration to risk, return, liquidity, diversification and the insurance needs of Fund members, and that the Fund's investments are in line with this investment strategy.

#### **5. Accounting policies**

All the significant accounting policies of the Fund are adequately described in the financial report and the notes attached thereto. These policies are consistently applied unless specifically noted in the Financial Statements and Notes.

#### **6. Fund books and records**

All transactions have been recorded in the accounting records and are reflected in the financial report. We have made available to you all financial records and related data, other information, explanations and assistance necessary for the conduct of the audit; and minutes of all meetings of the trustees.

We have considered the risk of fraud and determined it is not likely to impact the reliability of the financial report.

All accounting records, statements and financial reports have been kept and maintained for at least 5 years.

Minutes, records of trustees' meetings, copies of all member or beneficiary reports, up to date record of all trustee or director of corporate trustee changes and trustee consents have been kept and retain for at least 10 years and trustee declarations in the approved form have been signed and kept for each trustee appointed after 30 June 2007.

There are no assets or liabilities of the Fund that have not been disclosed to you or the Fund Administration Manager. The Financial Statements accurately disclose the full extent of the assets and liabilities of the Fund.

#### **7. Asset form and valuation**

The assets of the Fund are being held in a form suitable for the benefit of the members of the Fund and are in accordance with our investment strategy.

Investments are carried in the books at market value. Such amounts are considered reasonable in light of present circumstances.

We have no plans or intentions that may materially affect the carrying values, or classification, of assets and liabilities.

There are no commitments, fixed or contingent, for the purchase or sale of long-term investments that have not been disclosed in the financial report.

The Trustee has complied with all the investment standards and rules contained in the SISA and all investments held at 30 June 2022 and investment transactions for the year then ended were undertaken in accordance with the Fund's investment strategy.

#### **8. Significant assumptions**

We believe that significant assumptions used by us in making accounting estimates are reasonable.

#### **9. Uncorrected misstatements**

We believe the effects of those uncorrected financial report misstatements aggregated by the auditor during the audit are immaterial, both individually and in aggregate, to the financial report taken as a whole.

#### **10. Ownership and pledging of assets**

The Fund has satisfactory title to all assets appearing in the statement of financial position. All investments are registered in the name of the Fund, where possible, and are in the custody of the respective trustee.

There are no liens or encumbrances on any assets or benefits and no assets, benefits or interests in the Fund have been pledged or assigned to secure liabilities of others.

All assets of the Fund are held separately from the assets of the members, employers and the trustees. All assets are acquired, maintained and disposed of on an arm's length basis and appropriate action is taken to protect the assets of the Fund.

#### **11. Related parties**

Related party transactions and related amounts receivable have been properly recorded or disclosed in the financial report.

Acquisitions from, loans to, leasing of assets to and investments in related parties have not exceeded the in-house asset restrictions in the SISA at the time of the investment, acquisition or at year end.

The Fund has not made any loans or provided financial assistance to members of the Fund or their relatives.

#### **12. Borrowings**

The Fund has not borrowed money or maintained any borrowings during the period, with the exception of borrowings which were allowable under SISA.

#### **13. Fraud, error and non-compliance**

There has been no:

- a. Fraud, error or non-compliance with laws and regulations involving management who have a significant role in internal control;
- b. Fraud, error or non-compliance with laws and regulations that could have a material effect on the financial report; and
- c. Communications from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial report.

There are no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial report or as a basis for recording an expense. There have been no communications from any regulatory body concerning a contravention of the SISA, SISR and or the Corporations Act 2001, which has occurred, is occurring, or is about to occur.

#### **14. Internal controls**

We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud and error.

We have established and maintained an adequate internal control structure to facilitate the preparation of reliable financial reports, and adequate financial records have been maintained. There are no material transactions that have not been properly recorded in the accounting records underlying the financial report.

We confirm that we have adequate control in place in relation to internet transactions including online share trading. All transactions that have been recorded and occurred were for the benefit of all members of the Fund.

### 15. Significant events

We have not become aware of any event that would have a significant adverse effect on the financial position of the Fund or the members of the Fund.

### 16. Going concern assumption

We confirm that we have no knowledge of any events or conditions that would cast significant doubt on the fund's ability to continue as a going concern.

### 17. Subsequent events

No events or transactions have occurred since the date of the financial report, or are pending, which would have a significant adverse effect on the Fund's financial position at that date, or which are of such significance in relation to the Fund as to require mention in the notes to the financial statements in order to ensure they are not misleading as to the financial position of the Fund or its operations.

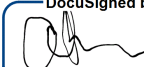

### 18. Outstanding legal action

The trustees confirm that there is no outstanding legal action or claims against the Fund.

There have been no communications from the ATO concerning a contravention of SISA or SISR which has occurred, is occurring, or is about to occur.

We understand that your examination was made in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements and was, therefore, designed primarily for the purpose of expressing an opinion on the financial report of the Fund taken as a whole, and on the compliance of the Fund with specified requirements of SISA and SISR, and that your tests of the financial and compliance records and other auditing procedures were limited to those which you considered necessary for that purpose.

Yours faithfully

Dear Trustees

**The Lordi Family Super Fund  
Audit Engagement Letter**

**Objectives and Scope of the Audit**

You have requested that we audit the financial statements of the SMSF for the year ended 30 June 2022. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

**Our Responsibilities**

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

**Trustees' Responsibilities**

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);
- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:

- Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;
- Additional information that we may request from the trustees for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

### **Audit of SIS Compliance**

For the year ended 30 June 2022, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA, 13.22C

### **Report on Significant Matters**

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.
