Glossary

Bank balance	Cleared funds in bank account.
Unsettled	Unsettled trades, recent deposits and withdrawals.
Trades today	The value and number of trades completed today.
Open buys	Total of all BUY orders on the market or waiting to be sent to the market, and the number of buy orders open on the market.
Holdings	The value of the stock held by the account at current market prices.
Available to trade	Funds available to purchase additional securities. This does not account for any conditional buy orders that may be currently active.
