SOUTH AMERICAN IRON & STEEL CORPORATION LIMITED

Shareholders in this company should consider crystallising a capital loss in 2021/22 by selling their worthless shares. From 1 October 2021 we have made this process much easier and quicker. It can now be achieved online by entering transaction details here . While this usually makes good economic sense, we recommend you seek professional advice before buying or selling securities, your accountant is probably the best person.	01/10/2021

Hi Brenda,

In regard to questions 3,4 & 5 We have not done anything with these shares for years, I cannot find any correspondence other than what would be in the folder as to current holding etc etc, so I gather they remain the same. I don't believe any of these shares have any significant value. Is there a way I can find out more info on them?

I have attached the reports you requested
Thanks Garry & Marisa
