**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE PERIOD 1 JULY 2006 TO 30 JUNE 2007**

---

**1. Statement of Significant Accounting Policies**

These financial statements are a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board, the fund's trust deed and relevant legislative requirements.

The following is a summary of the material accounting policies adopted by the fund in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

**a. Measurement of Assets and Liabilities**

Assets of the fund have been measured at net market values after allowing for costs of realisation. Changes in the net market value of assets are brought to account in the operating statement in the periods in which they occur.

Net market values have been determined as follows:

- i. shares in listed companies, government securities and other fixed interest securities by reference to the relevant market quotations at the reporting date;
- ii. mortgage loans by reference to the outstanding principal of the loans;
- iii. units in managed funds by reference to the unit redemption price at the reporting date;
- iv. insurance policies by reference to an actuarial assessment of the amount receivable from the insurer in respect of the policy; and
- v. property, plant and equipment at trustees' assessment of their realisable value.

Financial liabilities, which are all current in nature, are measured at the gross value of the outstanding balance at year-end.

**b. Liability for Accrued Benefits**

The liability for accrued benefits is the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amounts of the assets and the carrying amounts of the sundry liabilities and income tax liabilities as at reporting date.

**c. Vested Benefits**

Vested benefits are benefits which are not conditional upon continued membership of the fund and include benefits which members are entitled to receive had they terminated their membership of the fund at the reporting date.

**d. Income Tax Expense**

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, where there is no effect on accounting or taxable profit or loss.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE PERIOD 1 JULY 2006 TO 30 JUNE 2007

---

2007

2006

\$

\$

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised. The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the superannuation fund will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

#### **e. Superannuation Contributions Surcharge**

The superannuation fund recognises as an expense and a liability the superannuation contributions surcharge in respect of surchargeable contributions. The amount of the liability brought to account at balance date has been based on the prior year assessments being a reliable measure of the current years liability. The cost of the surcharge is charged to the relevant members' account.

The superannuation contributions surcharge does not apply to any superannuation contributions made on or after 1 July 2005 as this surcharge has been repealed.

#### **f. Cash and Cash Equivalents**

For the purposes of the statement of cash flows, cash and cash equivalents includes cash on hand and at call deposits with banks, and short term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of changes in value.

#### **g. Revenue**

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Dividend revenue is recognised when the fund has established that it has a right to receive a dividend. All revenue received arises from the operating activities of the fund.

#### **h. Contributions**

Member and employer contributions are recognised on an accrual basis.

#### **i. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

## **2. Liability for Accrued Benefits**

The liability for accrued benefits is the fund's present

**4. Guaranteed Benefits**

No guarantees have been given in respect of any part of the liability for accrued benefits.

**5. Changes in Net Market Values**

Investments and other assets of the fund are valued at the end of the reporting period as described in Note 1 - Summary of Significant Accounting Policies. A detailed schedule of investments is attached to these financial statements. A summary of the change in Net Market Values is as follows:

Change in Net Market Value	<hr/>	<hr/>

### **INDEPENDENT AUDITOR'S REPORT**

---

#### **PART A - FINANCIAL REPORT**

I have audited the special purpose financial report comprising the Statement of Financial Position, Operating Statement and a summary of significant accounting policies and other explanatory notes of the superannuation fund for the year ended 30 June 2007.

##### **Trustees' Responsibility for the financial report**

The trustees are responsible for the preparation and fair presentation of the financial report and has determined that the accounting policies used are consistent with the financial reporting requirements of the superannuation fund's governing rules, comply with the requirements of the Superannuation Industry (Supervision) Act 1993 (SIS Act) and the Superannuation Industry (Supervision) Regulations (SIS Regulations) and are appropriate to meet the needs of the members. The trustee's responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

##### **Auditor's responsibility**

My responsibility is to express an opinion on the financial report based on the audit. I have conducted an independent audit of the financial report in order to express an opinion on them to the trustees. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the trustees' financial reporting requirements under the superannuation fund's governing rules and regulatory requirements.

I disclaim any assumption of responsibility for any reliance on this report, or on the financial statements to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. These auditing standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the trustees' preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the trustees' internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

##### **Auditor's opinion**

In my opinion the financial report: presents fairly in all material respects in accordance with the accounting policies described in the notes to the financial statements in the financial position of the fund at 30 June 2007 and the results of its operations for the year then ended.

#### **PART B - COMPLIANCE**

##### **Trustees' responsibility for compliance**

The trustees are responsible for complying with the requirements of the SIS Act and the SIS Regulations.

##### **Auditor's responsibility**

My responsibility is to express an opinion on compliance based on the audit. I have conducted tests in accordance with Australian Auditing Standards as necessary to provide reasonable assurance whether the trustees of the fund has complied, in all material respects, with the relevant requirements of the following provisions (to the extent applicable) of the SIS Act and the SIS Regulations.

Sections: 52(2)e, 52(2)d, 62, 65, 66, 67, 69-71E, 73-75, 80-85, 103, 106, 109, 111, 112, 113(1A), 121  
Regulations: 4.09, 5.08, 6.17, 7.04, 13.12, 13.13, 13.14

**HADDLETON SUPERANNUATION FUND  
SELF MANAGED SUPERANNUATION FUND  
INDEPENDENT AUDITOR'S REPORT**

---

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the SIS Act and the SIS Regulations.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SIS Act and the SIS Regulations apart from those specified. My procedures with respect to section 62 included testing that the fund trust deed establishes the fund solely for the provision of retirement benefits for fund members or their dependants in the case of the member's death before retirement; a review of investments to ensure the fund is not providing financial assistance to members, unless allowed under the legislation; and that no preserved benefits have been paid before a condition of release has been met.

My procedures with respect to regulation 4.09 included testing that the fund trustees have an investment strategy, that the trustees has given consideration to risk, return, liquidity and diversification and that the fund's investments are made in line with that investment strategy. No opinion is made on the investment strategy or its appropriateness to the fund members.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Auditor's opinion**

In my opinion the trustees of the fund have complied in all material respects, with the requirements of the SIS Act and SIS Regulations specified above.
