Dear Sir/Madam

We've registered you for pay as you go (PAYG) withholding. The details of your registration are:

Australian business number:	22 380 180 714
Account name:	GM & JJ MULLER SUPERANNUATION FUND
Date registration takes effect:	1 Apr 2016
PAYG payment cycle:	Quarterly
PAYG withholder type:	Small

Reporting and paying PAYG withholding

Based on the information you provided, we've determined that you're a small withholder. You need to pay PAYG withheld amounts and lodge an activity statement for each of the three month cycles ending on 30 September, 31 December, 31 March and 30 June. We'll send you your activity statement towards the end of each quarter. The due date is the 28th day of the month following the end of each quarter, with the exception of the December quarter when the activity statement needs to be lodged by 28 February. You can access your activity statement via the business portal.

Lodging online

The easiest and most secure way to deal with us online is through the business portal. You can:

- view and print lodged statements and lodge and revise most types of activity statements
- lodge your original and amended payment summary annual report.

Lodge and pay online and you may qualify for a two week deferral of your activity statement due date.

To access the business portal you will need an AUSkey. You can register for an AUSkey at www.auskey.abr.gov.au
