If there is an inconsistency between the express provisions of this Deed and the provisions of the Relevant Requirements incorporated into this Deed, the provisions of the incorporated Relevant Requirements prevail.

5.2 Rights of Members

The provisions of this Deed do not affect the right of a Member or the personal representative of a Member or any other person to claim compensation or damages in circumstances where the Member is injured or dies as a result of an event in the course of the employment of the Member.

5.3 Severability

All of the provisions in this Deed are severable. If any provision is found to be unlawful, void or unenforceable that provision shall be read down to the extent necessary to ensure that it does not infringe any law or is not otherwise void or unenforceable so as to give it a valid operation of a partial character. If the infringing provision cannot be so read down it shall be considered deleted from this Deed as if it had never been included.

Nothing in this Deed affects the powers of an Employer with regard to the terms of employment or dismissal of an Employee. The existence or cessation of any actual or prospective Benefit under the Fund will not be grounds for claiming or increasing damages in any action brought against an Employer in respect of any termination of employment or otherwise.

6.2 Exercise of Discretions

Despite anything to the contrary in this Deed:-

- (a) in exercising its powers the Trustee is not subject to the direction of any other person except where the Relevant Requirements permit. If any provisions of this Deed would permit a person to give a direction to the Trustee in circumstances other than those permitted by the Relevant Requirements, the Trustee may disregard any such direction;
- (b) if a discretion under this Deed may be exercised by a person other than the Trustee, that discretion must not be exercised without the consent of the Trustee except in circumstances permitted under the Relevant Requirements.

For the purposes of clarity, although a person ceases to be a Member when a pension is commenced, they then become a Pensioner with rights that are appropriate for a Pensioner.

12.5 Reserve Account

The Trustee may establish one or more Reserve Accounts and may transfer amounts from the Income Account to a Reserve Account pursuant to Clause 12.4 above or from a Member's Accumulation Account pursuant to Clause 27.2 or from the Pension Reserve Account pursuant to Clause 27.4, or from one Reserve Account to another.
