Hi Glenn,

Happy birthday for yesterday. Hope you had a wonderful day.

We are progressing well with the super fund's financials are working towards finalising it

We estimate the fee to complete the super fund 2021/2022 financial statements and tax return will be \$3,575.00 (GST inclusive), including audit.
This has increased due to the additional investment during the year, actuarial certificate requirement and the ECPI election calculations.

To finalise your superfund's accounts, could you please:

- a. Confirm the \$10,838.71 of dividends received for 100 Class A Shares held with Syndicate 8 Squared Pty Ltd have no franking credits?

The distribution statement provided does not have any information indicating this information.

We presume not, but as franking credits would reduce any tax the super fund has to pay (if any), we thought it was best to ask.

We are also working with Warren about your super contributions treatment, and will let you know if there are any issues.

We note that you have an accumulation balance at 30 June 2022, which will pay tax on the earnings.
Please contact us to discuss.

If you have any questions, please feel free to contact me or Chai.

Kind regards,
Rach
