Dear Trustees

Commencement of Full Account Based Pension

I wish to inform the Trustees of the subject superannuation fund that I will be retiring permanently from the workforce as of 30 September 2016. As such, I request that the Trustees note this change and change the fund from a Transition to Retirement Pension to a Full Account-Based Pension as of that date.

I wish to commence the Full Pension based on the assets standing to my member account. I wish to have superannuation benefits paid to me effective from this date in the following form:

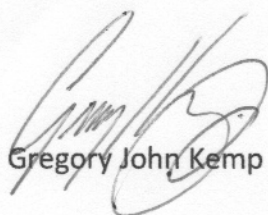

Pension Type	Full Account Based Pension
Amount	100% of my account balance
Payment Period	Monthly
Reversionary Beneficiary	Janet Margaret Kemp

Please take the appropriate steps to commence payment on a monthly basis. Payment can be made to the following account:

Name of Account	GJ & JM Kemp
Account Details	BSB 734061 A/C No. 520926

I understand the terms and conditions of this pension, that the underlying capital of the pension cannot be increased after the commencement date by adding any contributions of rollovers, and that the Funds trust deed provides for payment of this pension to me.

Yours faithfully

Gregory John Kemp
