## Example of Total Annual Fees and Costs for a Balanced Investment Option

The following example illustrates how the cumulative effect of the fees and costs of PortfolioCare eWRAP Investment Account, as well as the underlying fees and costs of a balanced investment option, can affect your investment over a one-year period. The actual fees and costs that you will be charged will depend on your total account value, the investment options you choose and the transactions you carry out.

Example - Experts' Choice Balanced		Balance of \$50,000 with a contribution of \$5,000 during the year
Contribution fee	Nil	For every \$50,000 you put in you will be charged \$0.00.
<b>Plus</b> Management costs <sup>1</sup>	\$492.75 (\$1.35 per day)	And, for the \$50,000 you have in <i>PortfolioCare</i> Investment Service, you will be charged \$492.75 each year.
<b>Plus</b> Other costs for the Experts' Choice Balanced <sup>2</sup>	1.00%	And, other costs of \$500.00 each year will be deducted from your investment.
<b>Equals</b> Total fees and costs <sup>3</sup>		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged total fees and costs from \$992.75 for holding the Experts' Choice Balanced investment option.

1. This amount comprises the administration fee on the balance of \$50,000 held throughout the year. It does not include the administration fee on the contribution of \$5,000 during the year.
2. This amount comprises estimates of underlying management costs for the Experts' Choice Balanced investment option based on the last financial year. It does not include underlying management costs on the contribution of \$5,000 during the year which would equal an additional \$50.00 if invested at the beginning of the year.
3. Additional fees and costs may apply, including initial, ongoing and one-off adviser fees as agreed with your financial adviser, and underlying transactional and operational costs. And, a buy/sell cost of 0.49% applies whenever you invest in the Experts' Choice Balanced investment option (this will equal \$24.50 for every \$5,000 you invest).

## Tax Reports

Tax Reports are generally sent in August. However, delays can occur as we need to receive tax information from the investment managers of all investments held in your account during the year before a report can be produced.

---

**NOTES ON REPORT**

- 1 *Any distributions paid by investment managers and yet to be processed by us by 30 June 2018 will not be included in your Account Value. These will be reflected in your next report. If you need further information about your Account Value please call us on 1800 004 594.*
- 2 *This amount shows growth and income on your investments before any fees and costs as stated on this report.*
- 3 *Change in investment value represents any unrealised gains or losses on the investments you hold as a result of changes in unit prices plus any realised gains or losses from sales made during the period.*
- 4 *Fees and costs include administration fees, financial adviser remuneration (including one-off flat dollar fees where applicable), operator fees, GST, reduced input tax credits (on managed investments only) and other expenses. Investment fees are not shown as deductions from your Account – instead they're deducted from the unit price of each managed investment prior to calculating each unit's value.*
- 5 *These percentages show the net earnings rate of your investment after deducting taxes, fees and other costs.*
- 6 *For periods greater than one year, this represents the compound average return per annum over the indicated period.*
- 7 *The price used was the last cumulative offer price available at the time this report was produced. In some cases prices may not be at 30 June 2018 due to non availability at date of report production or where investment pricing may be suspended. In these cases the investment value shown may not reflect your actual redeemable value.*
- 8 *This represents the estimated unrealised capital gain or loss that would have arisen for tax purposes if you sold all your investments on 30 June 2018.*
- 9 *Other costs - This approximate amount has been deducted from your investment and covers amounts that have reduced the return on your Investments but are not charged as a fee.*
