Where a security is quoted on the ASX, the issuer will not have access to price information for units bought and sold on the exchange or the related transaction costs. For this reason, and in accordance with the relief granted to issuers under ASIC Class Order 13/1200, the statement will not contain prices of units bought or sold on the exchange or a calculation of your investment performance in dollar terms. This information can be sourced from your financial adviser or broker. The statement, however, will include a calculation of your investment performance where you have not bought or sold units during the reporting period.

The Australian Taxation Office advises you to keep this statement as a permanent record. Disposal of securities by Australian residents may result in Capital Gains Tax. If you would like a copy of "Guide to Capital Gains Tax", published by the ATO, telephone 1300 720 092.
