It's time to go paperless

We need your OK to send you digital communications, even if you've already told us.

To stop receiving paper statements and communications in the mail – we need you to login to My AMP and switch your correspondence to 'Email/Online'.

Follow these easy steps

1. Log in to your **My AMP** account
2. Select **your profile** at the top right of the web page
3. Select **View communications preferences**
4. Select **Email**
5. Click on **Save changes**.

Please read the disclosure on the communications preference page. You can change your preferences at any time in My AMP. **Please note, we are unable to update your correspondence preferences to Email/Online over the phone.**

We're changing to half yearly statements for accounts with an AMP Bank Visa Debit card

We'd like to reduce the pile of paper in your letterbox and your number of emails. So, from June 2019, we'll be sending statements for accounts with a Visa Debit card half yearly instead of monthly.

We've found there's less need for monthly statements, as many people are switching over and using My AMP and our apps to check their transactions and balances online.

You can view your transactions 24/7 in My AMP, the My AMP app or AMP Bett3r app. If you haven't registered for My AMP, it's easy to sign up at **amp.com.au**. Our apps make it even easier to keep track of your money.

Of course, if you'd like to keep receiving your statements more regularly, please call us on 13 30 30 or send a secure message through My AMP.

If you have a Line of Credit or Flexible Loan Account, we'll still send you monthly statements for that account during any interest only period.

Helping you keep your account safe and secure

We take the security of your account very seriously. It's important that you keep your Devices (such as your AMP Bank Access Card) and your Security Access Codes (such as your PIN, TelePIN, answers to secret questions, user names and passwords) safe and secure.

- Don't disclose any of your Security Access Codes to anyone.
- Choose Security Access Codes that are unique and difficult to guess. If you need to keep a record, protect it by disguising it, storing it in a safe place and separate from your Devices.
- Avoid using shared computers such as internet cafes and libraries for online banking and change your password regularly.
- Check your accounts regularly for unauthorised transactions.

If you suspect that someone may know your Security Access Codes or you don't recognise a transaction, call us immediately on 13 30 30. Go to amp.com.au/securityguidelines for more information on keeping your account safe and secure.

If you use the 'credit' button, purchase goods online or over the phone or transact using Contactless methods on an AMP Visa Debit Card, you may be eligible for a chargeback. Visit amp.com.au/bankdisputes for more information.
