Dear Michael

Your completed financial statements and tax returns

We enclose herewith the following documents in relation to your superannuation fund for the year ended 30 June 2014.

Income Tax Return

We ask that you review the income tax return to ensure its accuracy and then, if correct, sign and date in the places where marked and forward to our office for lodgement. The signed return also demonstrates that you are satisfied you have all supporting documentation to substantiate any claim should the returns be subject to an ATO audit.

Once we have received the signed copies we will attend to the electronic lodgement of the forms on your behalf. The due date for the return is and penalties may apply for late lodgement.

Based on the information and records provided by you we estimate the total tax position to be **\$388.00 payable**

Under the self-assessment rules the ATO will not issue you with a reminder notice or an assessment. Where a payment is due the tax will be payable at the same time the return is due for lodgement.

Financial Statements

We also ask that you review the financial statements of the fund to confirm they present fairly the fund's financial position as at 30 June 2014 and its performance for the year then ended. If you are satisfied they are complete and accurate please sign the Trustees' Declaration where marked and forward the original back to our office for our records.

Audit Documentation

As you are aware we are required to audit the fund annually to comply with the relevant superannuation legislation. As part of the audit we enclose the following documents that require your approval, signature and return to our office.

- Audit engagement letter formally appointing Peter Belcastro as the auditor
- Trustee representation letter
- Minutes of meetings of the Trustees during the year

These documents all form part of the compliance information to be completed by the Trustee throughout the year. They are required by the fund to ensure ongoing compliance as a self-managed superannuation fund in accordance with the relevant legislation.

As this now finalises this matter we have enclosed a note of our fees.

If you have any questions in relation to the above matter please do not hesitate to contact our office.

Yours faithfully,
GBS Partners

Michael Godwin
