### Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from the following:

- ☒ entering into investments on behalf of the fund that are not made or maintained on an arm's length (commercial) basis, ensuring that the purchase or sale price of the fund's assets reflect market value.

### Accepting contributions and paying a benefit

I understand that I can only accept contributions and pay benefits (pensions or lump sums) to members or their beneficiaries when the conditions specified in the law and the fund's governing rules (including its trust deed) have been met.

## Important information about providing your tax file number (TFN) to the fund

---

Under the *Superannuation Industry (Supervision) Act 1993*, the fund is required to request your TFN. Your TFN is confidential: you don't have to provide it.

### What your TFN may be used for

If you provide your TFN, it will be used for legal purposes only. The purposes for which your TFN may be used may change in the future. At present, they include:

- searching for other benefits that may exist for you in the fund;
- calculating reduced tax rates on eligible termination payments (ETPS) when benefits are paid;
- reporting payments to ATO for reasonable benefit limits (RBL) purposes;
- reporting contributions to ATO for contributions tax (surcharge) purposes which may not otherwise be subject to the surcharge;
- passing to other regulated superannuation fund, ADFs and RSAs if your benefits are rolled over. You may revoke this authority later in writing;
- passing on with other details if you become lost and your benefits are paid to the ATO as unclaimed money.

### What might happen if you don't provide your TFN

If you do not provide your TFN, the following may happen:

- other benefits existing for you in the fund may be more difficult to locate and amalgamate;
- higher tax rates may apply to ETPs paid to you. (This may be recovered with lodgement of your next income tax return);
- your benefits may be subject to an extra 15% contribution tax (surcharge). This may be reclaimed on application to the ATO;
- your TFN will not be passed to other regulated superannuation funds, ADFs and RSAs if your benefits are rolled over;

your benefits may be more difficult to locate if benefits are paid to the ATO as unclaimed money.
