The Tenant must be able to provide records of maintenance inspections at any time during the tenancy or any periodic lease continuing month to month upon request by the Landlord or the Landlord's agent. Upon the air-conditioning unit breaking down or ceasing to operate as per its specifications, the Tenant must provide records of maintenance inspections to the Landlord or the Landlord's agent. Should the Tenant not provide records of maintenance inspections or not have complied with [his/her/its] obligations under this clause to maintain and clean the air-conditioning unit, the Tenant shall be responsible and liable for the costs and expenses (including parts and labour) for the repair or replacement of the air-conditioning unit.

Provided the Tenant has complied with [his/her/its] obligation under this clause to maintain and clean the air-conditioning unit, the Landlord shall be responsible and liable for the repair or replacement of the air-conditioning unit (including parts and labour).
