Important Information

Call 1300 362 108 to speak with our claims team for assistance in making a claim.

We pay all claims covered by our policy terms and conditions once all reasonably necessary information has been received and assessed.

Under the Life Insurance Code of Practice we are required to make you aware of the risks of cancelling an existing Life Insurance policy for another policy, such as not cancelling any existing cover until your new application is accepted as you may be losing benefits you have accrued, you may have to re-wait any waiting periods and you will be applying on the basis of your current medical state.

If you wish to apply for an increase in cover or sum insured on your existing policy the increase will be on the basis of your current medical state, however your existing cover as noted in this document remains in place while you continue to pay.
