Re: Appraisal of 42 Stuart Highway, Stuart Park

As per your request I have prepared the following appraisal of the above named property for Fenwick Pty Ltd ATF BriChi. The appraisal date is of 30 June 2021. This is **NOT** to be construed as a formal valuation.

I have previously inspected the property and I am familiar with it and the location and condition of the property. The site has a total area of 1,120m². The Appraisal is based on the following information, as supplied by you:

Current Rent \$92,500 pa (GST exc)
Outgoings Non recovered – insurance \$5,144

The current lease expires March 2023.

The Darwin investment market has remained subdued, more activity is starting to occur but capital values are yet to show any signs of recovery. The subject property is located in a prominent corner position, and has had a long term tenant in place, so investors will look to future development opportunities associated with this high profile inner city corner location. Returns for higher profile sites remain at 7.5 to 8%. I have adopted 7.75%, given there less than 2 years remaining on the lease.

It is therefore appropriate to capitalise the current net income at a rate of 7.75%. Improved rates per sqm are now \$900 to \$1,100.

I therefore believe the property could achieve a current value of \$1,100,000

This appraisal is not to be construed or relied upon as a formal valuation

Hi Alima

All five invoices were to removal of old rusted out awnings (there were asbestos issues with some of the awnings too so they needed to be removed for health safety reasons) and restored with new similar quality awnings (besides the asbestos).

No improvements were done.

Brian mentioned that in the 2021/22 year there has been rendering work done which I understand may be an improvement.

Thanks
Riccardo

PAYMENT OF RATES AND CHARGES

A ratepayer may pay current year's rates and charges specified in this Notice of Rates and Charges by four approximately equal instalments. Details of the amounts and due dates for payment of those instalments are printed on the face of this notice.

Please Note: Arrears from previous years must be paid in full before a ratepayer is eligible to commence paying by instalments this year.

Where the last date for payment falls on a weekend or Public Holiday, payment should be made the next working day (e.g. if the due date for payment for an instalment is a Saturday, the payment should be received by 5 p.m. on the following Monday).

PENALTY FOR LATE PAYMENT

In accordance with the provisions of the Local Government Act Council has determined that a penalty will be applied for the late payment of Rates and Charges at a rate of interest as indicated on the face of this notice. This penalty is calculated only on the outstanding instalment from the date on which the missed instalment was due and payable until the date the missed instalment is paid in full.

CHANGE OF OWNERSHIP OR ADDRESS

It is the responsibility of the owner of an allotment to notify Council in writing of changes of address or ownership. When ownership of an allotment changes, liability for payment of rates and charges becomes that of the new owners.

LEGAL ACTION FOR THE RECOVERY OF RATES AND CHARGES

The Council's staff will assist you by entering into a suitable arrangement to pay should you be suffering severe financial hardship. For further information please call the Council Offices during business hours on 8930 0551. You may be sued for non-payment if you have not paid and not made arrangements. Recovery costs and legal costs will also be added to the balance outstanding.

OFFICE HOURS

City Council Offices operate Monday to Friday 8.00 a.m. to 5.00 p.m.

BASIS FOR CALCULATION OF RATES AND CHARGES

The rates referred to in this notice have been calculated in accordance with the annual declaration of rates made by the Council, by the application of either:

- the rate as shown in this notice as a proportion of the assessed value of the allotment described being the unimproved capital value;
- the minimum amount shown.

Charges for the garbage collection and recycling collection services are calculated in accordance with the declaration of rates.

Dear Sir

VALUATION UPDATE
42 STUART HIGHWAY, STUART PARK NT 0820

We refer to your request of 19 August 2010 for an update of our Valuation dated 20 April 2010 of this property.

This update has been prepared under instruction from Mr Brian Hood of Fenwick Pty Ltd for fair market value purposes and should be read in conjunction with our Valuation dated 10 April 2010. This Valuation continues to be based on the definitions specified therein and is current as at the updated Date of Valuation on 24 August 2010.

The market value assessed herein may change significantly and unexpectedly over a relatively short period (including as a result of general market movements or factors specific to the particular property). We do not accept liability for any losses arising from such subsequent changes in value. Without limiting the generality of the above comment, we do not assume any responsibility or accept any liability where this valuation is relied upon after the expiration of 3 months from the updated Date of Valuation, or such earlier date if any event occurs which may have an impact on the valuation.

After reinspecting the property on 24 August 2010 the following changes to the property were noted:

- the dwelling at rear has been removed
- net annual rent has increased from \$90,000 (\$155/m²) to \$96,130 (\$165/m²)

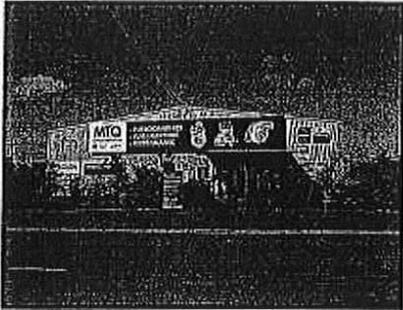

In order to update the market value we have also inspected and analysed the following recent sales and leasing evidence.

The following schedule details these transactions which we have relied on in making our assessment.

Directors M S Gore, P A Wandell

McGees (NT) Pty Ltd

Sales Evidence

1		Address:	20 Anictomatis Road, Berrimah
		Purchase Price (Ex GST):	\$1,600,000
		Date of Sale:	19 July 2010
		Land Area:	3,910m ²
		Building Area:	973m ² (25% Site Cover)
		Land Analysis:	\$409/m ²
		Building Analysis:	\$1,644/m ²
		Net Annual Income:	\$145,000
		Yield:	9.0%

A "General Industry" zoned allotment improved with a modern office/workshop. Approximately 697m² of the building structure has been fully lined internally and air-conditioned, with a rear annex and dyno bay of approximately 276m². It sold subject to a 3+3 year lease to MTQ Engine Systems, commencing 17th March 2010.

The above sale has been the only relevant sale to occur since we conducted the previous valuation. As such, we base our analysis on the above sale in conjunction with the sales in our previous report.

Reconciliation

We have derived from the previously reported and above evidence that improved rates for land area range from \$409/m² for a comparatively larger parcel up to \$1,142/m² for a comparably sized parcel. The most comparable property is Sale 3, which is adjacent to the subject and shows a rate of \$1,142/m².

Investment yields are confined to a range of 5.83% to 9.55%. The property is considered to represent an investment asset that would fall within this range.

Based on the following physical, financial and investment elements of the property, we have determined the appropriate rates for our analysis:

- Location and exposure;
- Size and construction;
- site coverage;
- income/lease terms; and
- investor/tenant demand

Component	Adopted Rate
Land Area (improved)	\$1,100/m ² to \$1,200/m ²
Yield (Capitalisation Rate)	7.5%

Leasing Evidence

No.	Address	Tenant	Building Area (m ²)	Annual Rental (\$/m ²)	Term & Date	Revised/s
1	57 Raphael Road, Winnellie	Steeline Garage Doors	614	\$120	5+5 from Late May 2010	N/A
<p>A new office/warehouse industrial facility of tilt-slab construction. Construction was completed in late May 2010. Annual rent is \$74,000 p.a. + GST + outgoings. Further analysis shows \$115/m² on 522m² of warehouse and \$150/m² on 92m² of office.</p>						
2	46 Hickman Street, Winnellie	Power & Water Corporation	656	\$146	1+1 from May 2010	Fixed at 4% annually
<p>A metal clad high clearance workshop with 7.5m clearance to apex and modern offices over two levels, separate lunch room, lock-up store and bitumen sealed secure yard. Includes a gantry crane with 2 tonne SWL. It is a unique industrial engineering workshop with extensive 3-phase power. Annual rent is \$96,000 p.a. + GST + outgoings. Further analysis shows \$140/m² on 608m² of warehouse and \$200/m² on 48m² of office.</p>						
3	1/34 Benison Road, Winnellie	All Seafoods	310	\$187	5+5 from Jun 2010	CPI & Market
<p>A modern metal clad high clearance warehouse/office facility with large mezzanine providing living areas and bathroom, lock-up yard, front and rear roller doors. Includes a cool room and freezer and 300m² of extra land. Annual rent is \$58,000 + GST + outgoings. Further analysis shows \$180/m² on 288m² of warehouse and \$200/m² on 31m² of office.</p>						

The above three leases are the only relevant leases to have been negotiated since the previous valuation. As such, we base our analysis on the above leases in conjunction with the leases in our previous report.

Reconciliation

The leasing transactions previously outlined and above indicate net rents ranging from \$120/m² for a comparably sized facility with smaller office portion and comparable lease terms up to \$187/m² for a comparatively smaller but more modern facility with comparable lease terms. The more comparable properties indicate a tighter range of \$146/m² to \$187/m².

The current passing net annual rent of \$165/m² (\$96,130), appears to be within market parameters and has been adopted in our calculations. This can be notionally apportioned to the various components of the property, approximately as follows:

Component	Net Rent (\$/m ²)
Showroom/Office	184
Storage	103

In conclusion, the market has remained rather static since our previous valuation, with the general consensus being that the market is softening slightly and it is currently taking longer to negotiate sales and leases.

As such, the only increase in value that can be attributed to the subject property since the previous date of valuation, being 20 April 2010, is the increase in the net annual rent from \$90,000 to \$96,130.

Calculations

Capitalisation Approach - (Primary Method)			
	Area (m²)	Net Rent (\$/m²)	Total
Annual Income			
Showroom/Office	450	183.50	\$ 82,575
Storage	132	103.00	\$ 13,596
Total	582		\$ 96,171
Sustainable Net Annual Income			\$ 96,171
Capitalised @	7.50%		\$ 1,282,280
Adopt			\$ 1,280,000

Direct Comparison Approach - (Check Method)			
Land Area		1120	
Improved Land Range	\$1,100/m ²	to	\$1,200/m ²
Calculated Value	\$1,232,000	to	\$1,344,000
			\$1,288,000
Say			\$1,290,000

We have derived from the above calculations that the market value ranges from \$1,280,000 (Capitalisation Approach) to \$1,290,000 (Direct Comparison Approach). As the property's highest and best use is for income producing purposes, we have adopted the Capitalisation Approach (\$1,280,000) in this instance.

Valuation

In accordance with our more recent instruction and any qualifications detailed herein or within our Valuation dated **24 August 2010**, we assess the fair market value of **42 Stuart Highway, Stuart Park NT 0820** as at 24 August 2010 to be:

\$1,280,000 GST exclusive
(One Million Two Hundred and Eighty Thousand Dollars)

This Valuation Update is made subject to the assumptions, remarks and qualifications contained in our Valuation dated **24 August 2010** and is for the use only of the party to whom it is addressed and for no other purpose. No responsibility is accepted to any third party who may use or rely on the whole or any part of the content of this Valuation Update.

Neither the whole nor any part of this Valuation Update or any reference to it may be included in any document, circular or statement without our written approval of the form and context in which it will appear.

Neither McGees Property nor the signatory to this Valuation Update has any interest financial, pecuniary or otherwise in, or with, parties associated with the subject of this assessment that would conflict with the independent valuation of the property. We confirm that this position will be maintained until the purpose for which this valuation is being obtained is completed.

Notice to Intending Insureds

Your duty of disclosure

Before you enter into an insurance contract with an insurer, you have a duty under the Insurance Contracts Act 1984 to disclose information to the insurer. The Duty of Disclosure applies until the insurer agrees to insure you or renew your insurance. The Duty of Disclosure also applies before you extend, vary or reinstate your insurance.

If you are applying for or renewing insurance in relation to your motor vehicle, home building and/or contents, residential strata, travel, personal accident or sickness and/or consumer credit products, you must answer the specific questions asked by the insurer truthfully and accurately. In answering those questions, you must tell the insurer all information that's known to you and that a reasonable person would be expected to provide in answer to the questions.

At renewal, the insurer may ask you to advise it of any changes to something you have previously disclosed, or may give you a copy of the information you previously disclosed and ask you to advise the insurer if there has been a change. If you do not tell the insurer about a change, you will be taken to have told the insurer there is no change.

If you are applying for or renewing any other insurance, you must tell the insurer all information that is known to you, that a reasonable person could be expected to know or that is relevant to the insurer's decision to insure you and on what terms. You do not need to tell the insurer anything:

- that reduces the risk it insures you for;
- is common knowledge;
- that the insurer knows or should know; or
- which the insurer waived your duty to tell it about.

Non-disclosure

If you fail to comply with your Duty of Disclosure, the insurer may cancel your contract or reduce the amount it will pay you if you make a claim, or both. If your failure to comply with the Duty of Disclosure is fraudulent, the insurer may refuse to pay a claim and treat the contract as if it never existed.

Complaints and dispute resolution procedures

We are committed to providing quality services to our clients. This commitment also extends to giving you easy access to people and processes that can resolve a service issue or complaint.

If you are concerned about the services provided by us, any product we have arranged or how we have handled your Personal Information, please contact your broker or the branch manager of your local branch. We will acknowledge your complaint immediately in writing or by telephone.

If, within 5 days, your broker or the relevant branch manager is unable to resolve your complaint to your satisfaction, you may ask that the matter be referred to the Gallagher **Risk & Compliance Team** who can be contacted directly on:

- **Email:** privacy@ajg.com.au (for privacy related complaints) or complaints@ajg.com.au (for any other complaints)
- **Telephone:** 1800 068 000

If your complaint is referred to the Risk & Compliance Team, we will acknowledge receipt of your complaint in writing within 24 hours. We will then investigate the matter and attempt to resolve your complaint in accordance with our disputes and complaints management policy. We will advise you of the outcome of our review of your complaint within 45 days of when you first made your complaint.

If the issue still has not been resolved to your satisfaction, you can lodge a complaint with the Australian Financial Complaints Authority, or AFCA. AFCA provides fair and independent financial services complaint resolution that is free to consumers.

- **Website:** www.afca.org.au
- **Email:** info@afca.org.au
- **Telephone:** 1800 931 678 (free call)
- **In writing to:** Australian Financial Complaints Authority, GPO Box 3, Melbourne VIC 3001

For further information about how we handle complaints or disputes please contact your broker, our Authorised Representative or visit our website www.ajg.com.au.

Cancellation/Policy Amendments

Our remuneration is payable on the terms of our invoice and is considered fully earned at the time that we issue the invoice. If your insurance contract is cancelled or varied before the expiry of the period of insurance, you will be paid any refunded pro-rata premium received from the insurer. We will retain all of our commission, fees and other remuneration in full in the event of any early cancellation or variation of your insurance contract or adjustment of premium. We may charge an additional fee for processing your request to cancel or vary your insurance contract and you agree that this fee may be offset against any premium pro-rata refund you are entitled to.

Premium Funding

If your premium is over \$500 you may wish to pay by monthly instalments using our recommended premium funders. Gallagher may receive a commission of up to a maximum of 5% under some premium funding arrangements for providing this referral. Gallagher may also be entitled to a bonus paid as a percentage of the premiums funded and a share of profit in respect of referrals made to Monument Premium Funding. We recommend that you read the premium funding contract to understand the implications in the event that you cancel your insurance policy before its expiry.
