## Details of your policy

Your premium and your level of cover may have changed. Each year your premium is reviewed based on age, level of cover (including any Consumer Price Indexation (CPI) increase) and a range of other aspects of your policy. From time to time we may also make changes to your premium rates as part of a review of our pricing. If we do increase the premium rates on your policy, we will always notify you prior to the increase taking effect.

We want to make sure that you know exactly what you're covered for so please read your Product Disclosure Statement and Policy Document (PDS) and the details of your insurance in the attached Policy Schedule, including any discounts or loyalty bonuses that may apply to your cover with us.

As life changes, often so does your requirement for protection. Your Protection Plans policy contains many features which allow you to pause, increase or decrease your cover - so your cover and premiums can be adjusted to suit your current circumstances.

The enclosed booklet forms part of this annual notice and contains more information about your premiums, how to increase or decrease your cover, and how to make a claim.

## Any questions?

If you have any questions, would like to discuss your cover or want to make a claim, please call your financial adviser or one of our insurance specialists on **1300 553 764** between 8.00am and 6.30pm (Sydney and Melbourne time), Monday to Friday.
