Hi Antony,

I hope all is well with you.

We are currently working on the 2023 annual return of your super fund.

To assist us, are you able to please provide the ANZ bank statement showing the account details and 30 June 2023 balance for audit purposes?

Also, would you confirm if the attached establishment fees were paid personally? If so, do you prefer to be reimbursed or treated as a non concessional contribution split equally between you and Kayley?

Thanks,

Regards**Emily Cooper****SMSF Accountant | SMSF Australia**

Hi Emily,

Attached is ANZ statement to 30/6/23. Is this what you are looking for ? There were no transactions prior to 30/6/23. The only transactions were the 2 rollovers.

Just checking - you mentioned an attachment below, but I didnt see anything attached to your email ?

Our intent was to reimburse ourselves of the SMSF establishment fee and the set up fee for the first Bare Trust. We were just waiting for the fund balance to build up a little first.

Are there any benefits to treating it as a contribution ?

Thanks
Antony

The attachment was just the original establishment invoice.

If we treat the establishment fee as a contribution you will be unable to reimburse yourself later, however it does mean that the \$2,200 stays within the SMSF. Really it's just personal preference as to what your personal cash requirements are.

Thanks

Hi Antony,

No unfortunately - as it's deemed a capital expense there are no deductions available.

Hi Emily,

We will reimburse ourselves. Is there a time limit for this to be done ?

We also need to do the same with some other costs that we needed to complete whilst we were trying to get the rollovers finalised.

7/6/23 \$2,200 - SMSF Australia - Establish SMSF

13/6/23 \$1,540 - SMSF Australia - Establish KA Balance Bare Trust (61/140 Thynne Street Bruce)

14/6/23 \$230 - FirstMac - Valuation fee for security assessment (61/140 Thynne Street Bruce)

16/8/23 \$1,540 - SMSF Australia - Establish KA Balance2 Bare Trust (28/84 Kings Canyon Street, Harrison)

Also, between 27-29/6/23 we paid the \$52,500 deposit for 61/140 Thynne from another account, then refunded when the rollovers were complete 4/7/23

With the current rollovers we have requested, we have increased the value to make allowance for reimbursements required from above.

Please let me know any queries or concerns.

Thanks
Antony

8.5 Liability of joint holders

The joint holders of a share are jointly and severally liable to pay all calls in respect of the share.

8.6 Interest on unpaid calls

If a sum called in respect of a share is not paid before or on the day appointed for payment of the sum, the Member from whom the sum is due must pay interest at a rate and on terms determined by

the Directors. Interest may be calculated from the day appointed for payment of the sum to the time of actual payment. The Directors may waive payment of interest wholly or in part.

8.7 Fixed dates for calls

- (a) Any sum that, by the terms of issue of a share, becomes payable on allotment or at a fixed date is deemed to be a call duly made and payable on the date on which by the terms of issue the sum becomes payable.
- (b) In the case of non-payment of a sum referred to in clause (a), all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

A Member may not exercise any right as a Member (including the right to receive a dividend, to be present at any meeting, to be counted in a quorum or to vote at any meeting or on a poll) until that Member has paid:

- (a) all calls due and payable by the Member whether alone or jointly with another person, together with interest and expenses in respect of the calls; and
- (b) all other sums (if any) presently payable by the Member in respect of any shares held by the Member, whether alone or jointly with another person.

8.10 Payment of calls in advance

- (a) The Directors may:
 - i. accept from any Member all or any part of the money unpaid on a share in excess of the sum actually called up; and
 - ii. cause the Company to pay interest at the rate agreed between the Directors and the Member paying the sum, on the whole or any part of the amount so accepted (unless the Company in general meeting otherwise determines).
- (b) Any amount paid in advance of calls will not be taken into account in ascertaining the amount of any dividend payable on the shares in respect of which the advance is made.
- (c) The Directors may repay an amount advanced under clause (a) on giving the relevant Member one month's notice in writing.

8.11 Evidence of call

- (a) In an action or other proceedings for the recovery of a call, it is sufficient, and conclusive evidence of the debt, to prove that:

 - ii. the resolution making the call is recorded in the minute book; and
 - iii. notice of the call was given to the defendant in accordance with this Constitution,

- iv. and it is not necessary to prove the appointment of the Directors who made the call or any other matter whatsoever.
- (b) In this clause 8.11, reference to the term **Defendant** includes a person against whom a set-off or counter-claim is alleged by the Company and the term “action or other proceedings for the recovery of a call” is to be construed accordingly.

9 No Encumbrances

A Member must not create or give any Encumbrance over its shares in favour of any person without the prior written consent of the Company, which consent may be withheld by the Company in its absolute discretion.

10 Transfer of shares

A Member may transfer all or any of the Member’s shares by instrument in writing in any form that the Directors approve. Such instrument of transfer must be executed by or on behalf of both the transferor and the transferee.

10.2 Registration of transfers

A transferor of shares remains the holder of the shares transferred until the transfer is registered and the name of the transferee is entered in the Register in respect of the shares.

The Directors are not required to register a transfer of shares in the Company unless:

- (a) the instrument of transfer has been duly stamped (if required by Law);
- (b) the instrument of transfer has been lodged at the Company’s Office;
- (c) any fee payable on registration of the transfer has been paid; and
- (d) the Directors have been given all the information they reasonably require to establish the right of the transferor to make the transfer.

The Directors may, in their discretion and without assigning any reason, refuse to register a transfer of shares in the Company.

The Directors may suspend the registration of transfers of shares in the Company at such times and for such periods as they determine. The period of suspension must not exceed in the aggregate 30 days in any calendar year.

11 Forfeiture of shares

11.1 Default

If a Member fails to pay a call or instalment of a call on or before the day appointed for payment of the call or instalment, the Directors may, at any time after that date, serve a notice on such Member requiring payment of the unpaid amount of the call or instalment, together with any interest and all expenses that the Company has incurred by reason of the non-payment.

11.2 Notice of forfeiture

The notice referred to in clause 11.1 must:

- (a) specify a day at least 14 days after the date of service of notice and a place at which the call or instalment and the interest and expenses referred to in clause 11.1 are to be paid; and
- (b) state that in the event of non-payment at the time and place appointed, the share in respect of which the call was made or instalment is payable is liable to be forfeited.

11.3 Forfeiture

- (a) If the requirements of a notice served under clauses 11.1 and 11.2 are not complied with, any share in respect of which the notice has been given may at any time after the date of non-compliance but before payment required by the notice has been made, be forfeited by a resolution of the Directors.
- (b) A forfeiture under clause (a) will include all dividends declared in respect of the forfeited shares and unpaid before the forfeiture.

11.4 Liability continues after forfeiture

Any Member whose share is forfeited:

- (a) ceases to be a Member in respect of the forfeited share; and
- (b) remains liable to pay and must immediately pay to the Company all money that, at the date of forfeiture, was payable to the Company in respect of the share, together with interest on those amounts from the date of forfeiture until payment, at such rate as the Directors determine.

11.5 Statutory declaration is conclusive

- (a) A statutory declaration that:
 - i. the declarant is a Director or a Secretary of the Company; and
 - ii. a share in the Company has been duly forfeited on a particular date,
- (b) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share.
- (c) The statutory declaration referred to in this clause 11.5 and the Company's receipt for the price of the share constitutes a good title to the share.

11.6 Disposal of forfeited shares

- (a) Any forfeited shares become the Company's property and the Directors may sell or dispose of the shares as they think fit, except that in the event of sale, the Directors will pay to the Member in whose name the share was registered immediately before the forfeiture, the residue (if any) of the proceeds of sale after satisfaction of all moneys due and unpaid.
- (b) Before any forfeited share is sold or disposed of, the forfeiture may be cancelled on such terms as the Directors think fit.
- (c) In relation to any sale or disposal under this clause 11.6, the Directors may arrange for an accountant or the Company's auditor to value the forfeited share. If the sale or disposal is made within three months of the date of the valuation, the valuation is conclusive evidence against the Member of the value of that share at the time of sale or disposal.

11.7 Transfer of forfeited share

- (a) The Company may receive the consideration (if any) given for a forfeited share on its sale or disposition and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of.
- (b) On the execution of the transfer, the transferee:
 - i. will be registered as the holder of the share;
 - ii. is not responsible for the application of any purchase money; and
 - iii. will possess a title which is not affected by any irregularity or invalidity in connection with the forfeiture, sale or disposal of the share.
- (c) After the name of the transferee is entered in the Register, no person may impeach the validity of the transfer and the remedy of any person aggrieved by the transfer is in damages only and against the Company exclusively.

11.8 Application to outstanding money

The provisions of this Constitution as to forfeiture apply in the case of non-payment of any sum that, by the terms of issue of a share, becomes payable at a fixed time as if that sum had been payable by virtue of a call duly made and notified.

- (b) Before a vote is taken, the chairperson must inform the general meeting whether any proxy votes have been received and how the proxy votes are to be cast.
- (c) On a show of hands, a declaration by the chairperson is conclusive evidence of the result provided that the declaration reflects the show of hands and the votes of the proxies received. Neither the chairperson nor the minutes need to state the number or proportion of the votes recorded in favour or against the resolution.

15.2 Voting rights

Subject to any rights or restrictions attached to any class of shares, each Member, entitled to vote may vote in person or by proxy, attorney or body corporate representative authorised under the Act, at a meeting of the Members of the Company, and each Member has:

15.7 Casting vote of chair

In the case of an equality of votes, whether on a show of hands or on a poll, the chairperson of the meeting at which the show of hands takes place or at which the poll is demanded has a casting vote (in addition to any vote that the chairperson may have had as a member).

Self-managed super fund trustee declaration

I understand that as an individual trustee or director of the corporate trustee of

Fund name

KA Balance Super Fund

I am responsible for ensuring that the fund is operated in accordance with the *Superannuation Industry (Supervision) Act 1993* (SISA) and other relevant legislation. The Commissioner of Taxation (the Commissioner) has the authority and responsibility for administering the legislation and enforcing trustees' compliance with the law.

I must keep myself informed of changes to the legislation relevant to the operation of my fund and ensure the trust deed is kept up to date in accordance with the law and the needs of the members.

If I do not comply with the legislation, the Commissioner may take the following actions:

- impose administrative penalties on me
- give me a written direction to rectify any contraventions or undertake a course of education
- enter into agreements with me to rectify any contraventions of the legislation
- disqualify me from being a trustee or director of a corporate trustee of any superannuation fund in the future
- remove the fund's complying status, which may result in significant adverse tax consequences for the fund
- prosecute me under the law, which may result in fines or imprisonment.

Sole purpose

I understand it is my responsibility to ensure the fund is maintained for the purpose of providing benefits to the members upon their retirement (or attainment of a certain age) or their beneficiaries if a member dies. I understand that I should regularly evaluate whether the fund continues to be the appropriate vehicle to meet this purpose.

Trustee duties

I understand that by law I must at all times:

- act honestly in all matters concerning the fund
- exercise skill, care and diligence in managing the fund
- act in the best financial interests of all the members of the fund
- keep records of decisions made about the running of the fund, including the appointment of professional advisers and the retirement of members and payment of benefits
- ensure that my money and other assets are kept separate from the money and other assets of the fund
- take appropriate action to protect the fund's assets (for example, have sufficient evidence of the ownership of fund assets)
- refrain from entering into any contract or do anything that would prevent me from, or hinder me in, properly performing or exercising my functions or powers as a trustee or director of the corporate trustee of the fund
- allow all members of the fund to have access to information and documents as required, including details about
 - the financial situation of the fund
 - the investments of the fund
 - the members' benefit entitlements.

I also understand that by law I must prepare, implement and regularly review an investment strategy having regard to all the circumstances of the fund, which include, but are not limited to:

- the risks associated with the fund's investments
- the likely return from investments, taking into account the fund's objectives and expected cash flow requirements
- investment diversity and the fund's exposure to risk due to inadequate diversification
- the liquidity of the fund's investments having regard to the fund's expected cash flow requirements in discharging its existing and prospective liabilities (including benefit payments)
- whether the trustees of the fund should hold insurance cover for one or more members of the fund.

Accepting contributions and paying benefits

I understand that I can only accept contributions and pay benefits (income streams or lump sums) to members or their beneficiaries when the conditions specified in the law and the fund trust deed have been met.

Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from:

- giving financial assistance using the resources of the fund to a member of the fund or a member's relative (financial assistance means any assistance that improves the financial position of a person directly or indirectly, including the provision of credit)
- acquiring assets (other than business real property, listed securities, certain in-house assets and acquisitions made under mergers, allowed by special determinations or acquisitions from the trustee or investment manager of another regulated super fund as a result of a breakdown of a relationship) for the fund from members or other related parties of the fund
- borrowing money (or maintaining an existing borrowing) on behalf of the fund except in certain limited circumstances (while limited recourse borrowing arrangements are permitted, they can be complex and particular conditions must be met to ensure that legal requirements are not breached)

- acquiring an in-house asset if the fund's in-house assets exceed 5% of the market value of the fund's total assets, or the in-house assets will exceed 5% of the market value of the fund's total assets by acquiring the asset (in-house assets are loans to, or investments in, related parties of the fund – including trusts – or assets subject to a lease or lease arrangement between the trustee and a member, relative or other related party)
- entering into investments that are not made or maintained on an arm's length (commercial) basis (this ensures the purchase or sale price of the fund's assets and any earnings from those assets reflects their market value).

Administration

I understand that the trustees of the fund must:

- keep and retain for at least 10 years
 - minutes of all trustee meetings at which matters affecting the fund were considered (this includes investment decisions and decisions to appoint members and trustees, the retirement of members and payment of benefits)
 - records of all changes of trustees, including directors of the corporate trustee
 - each trustee's consent to be appointed as a trustee of the fund or a director of the corporate trustee
 - all trustee declarations
 - copies of all reports given to members
 - documented decisions about storage of collectables and personal use assets
- ensure that the following are prepared and retained for at least five years
 - an annual statement of the financial position of the fund
 - an annual operating statement
 - copies of all annual returns lodged
 - accounts and statements that accurately record and explain the transactions and financial position of the fund including asset market valuation
 - copies of Transfer balance account reports lodged
 - copies of any other statements you are required to lodge with us or provide to other super funds
- appoint an approved SMSF auditor each year, no later than 45 days before the due date for lodgment of the fund's annual return and provide documents to the auditor as requested
- lodge the fund's annual return, completed in its entirety, by the due date
- review the independent audit report received from the approved SMSF auditor and take action as required
- notify the ATO within 28 days of any changes to the
 - membership of the fund, or trustees or directors of the corporate trustee
 - name of the fund
 - contact person and their contact details
 - postal address, registered address or address for service of notices for the fund
- notify the ATO in writing within 21 days if the fund becomes an Australian Prudential Regulation Authority (APRA) regulated fund.

DECLARATION

By signing this declaration I acknowledge that I understand my duties and responsibilities as a trustee or director of the corporate trustee of the self-managed superannuation fund named on this declaration (or if the fund's name changes, that name). I understand that:

- I must ensure this document is retained for at least 10 years or while I remain a trustee or director of the corporate trustee (whichever is longer) and, if I fail to do this, penalties may apply.
- Administrative penalties can be imposed on me for not complying with the legislation
- I may have to make this document available for inspection by a member of staff of the ATO and, if I fail to do this, penalties may apply.

SMSF Investment Strategy

Name: KA Balance Super Fund

Date:

Objective

This investment strategy of (as reviewed and amended annually or more often depending on changes to the needs of members) is created in compliance with the Superannuation Industry (Supervision) Act 1993.

The Fund:

1. accepts employer and member contribution and contributions from other persons as the laws allow
2. transfers from other Superannuation funds and from a spouse as the laws allow
3. provides benefits to members upon retirement and as the laws allow
4. provides other activities as allowed by the laws and regulations from time to time
5. allows access to any unrestricted non-preserved benefits (as/when allowed by the laws and regulations)
6. provides for the payment of pension benefits at a rate as determined in the future from time to time.

The fund complies with the current laws and regulations and the rules in the trust deed. It has the following investment objectives:

Risk and Return

It is recognised that timing (when you get into the investment) and time in the investment (how long you are in the investment) affects returns. Different investments have different returns and volatility. The Trustee (from time to time) of the fund has a strong emphasis on preserving the fund's capital. However, many sound investments are not capital guaranteed. Security of capital has to be tempered with the need to achieve the desired rate of return. Therefore, assets that show volatility may be of benefit to the fund.

The Trustee is ever vigilant to balance these two objectives:

- protecting the capital and
- growing the value of the fund by obtaining an acceptable rate of return.

Position on Diversification

From time to time fund investments may be diversified across asset classes but at other times maybe concentrated in only a few or one. The trustee will invest according to market conditions and availability of the fund's assets. A funds assets maybe predominantly invested in residential or commercial (or other types) of real estate should the trustee see fit to do so.

Required Rate of Return

The Trustee seeks an overall investment return for the fund in the 7-10 year term (medium term) of 3-5% above the average rate of inflation over that period.

Trustee's Obligations

The Trustee ensures that the fund meets the legislated standard minimums to continue to obtain concessional taxation status on the income. It is also incumbent on the Trustee to consider the tax consequences of all investments. Tax-advantaged products may reduce the fund's taxation burden. Tax is one of the Trustee's relevant concerns. The Trustee acknowledges that members' benefits are a liability of the fund. The Trustee gives thought to the level of benefit required to be paid to the member. However, while no terminations or benefits are expected to be paid out in the short to medium term the Trustee is at liberty to examine investments that are medium term. However, when the member is in pension phase the time horizon may be far shorter.

Paying Debts

The Trustee is obliged to pay tax, expenses and benefits. It will do so within 31 days. The Trustee ensures that it holds sufficient cash to meet such obligations.

Cost of Investing

The Trustee strives to reduce costs of investing. However, at times upfront investment costs are payable in order to obtain the best investment products that fit into this investment strategy. Exit costs and penalties may also be part of the cost of carrying out this investment strategy.
