About DEVELOP

DEVELOP (ASX: DVP) is an exploration and development company with two advanced copper-zinc projects near Port Hedland in the Pilbara region of Western Australia. The Company's focus is to finance its flagship Sulphur Springs Project, paving the way for its transformation into a new mid-tier ASX-listed base metal producer in the medium term. This will position it to be a long-term supplier of copper and zinc to global markets at a time when significant shortfalls are expected for both metals, especially copper.
