Hello LuuTran Superannuation Fund,

Your UBank SMSF Term Deposit is still growing.

Your SMSF Term Deposit has now matured. In the 6 months it's been with us, your original deposit of \$80,338.80 has grown by \$801.19.

Your new term.

Changing your mind

We understand sometimes you might need additional time to weigh up your options once your term deposit matures. That's why we provide 7 calendar day window from the maturity date (shown above) to allow changes to be made to your Term Deposit. During this period, you can add or withdraw funds from your term deposit, and/or change its term, without incurring fees or loss of any interest. If you'd like information on our other interest rates and to see if you could get a higher rate with a different product or term, simply go to ubank.com.au

If you need your money prior to maturity

If you want to withdraw funds from your Term Deposit outside of the 7 day window, you'll need to give us at least 31 days' notice or wait until the end of your new term, whichever occurs first. If you decide to withdraw funds early, remember that a prepayment cost may be payable out of any interest you've earned. For more information, please refer to your T&Cs.

All your new term deposit details are listed below – so please keep this info in a safe place in case you need to refer to it later.
