THIS DEED is made on the date and between the parties described in Schedule "A" and is given the name as described in Schedule "B".

#### BACKGROUND

- (A) It is intended by this Deed that the Trustee will accept the monies paid by the unit holders who have signed this Deed which are to be invested under this Deed and the Trustee may from time to time accept further funds or otherwise for investment under this Deed.
- (B) The Trustee agrees to hold the assets of the trust upon the trusts and subject to the terms and conditions of this Deed.

#### DEFINITIONS

- 1. Unless the contrary intention appears or the context otherwise requires in this Deed and in any instrument agreement or other document made entered or executed or issued under it, the terms and expressions set out in Schedule "B" have the meanings described in that Schedule.

#### INITIAL UNITS

- 2.
  - (a) The Trustee intends on or after execution of this Deed to accept from the other party or parties who have executed this Deed such sums of money as are set out opposite their names on the page they have signed and the beneficial interest in the Trust Fund is to be divided into units of \$1.00 each and those parties are deemed to be the holders of their respective units and the Trustee may issue to each of those parties who have paid the sum stated opposite their names, certificates in the form annexed or similar form.
  - (b) The Trustee may accept further cash from time to time before the Commencement Date to be held on the Trusts of this Deed and if any addition is made to the Trust Fund under the provisions of this sub-clause an additional number of units of \$1.00 each will ipso facto be created equal to the amount of cash so paid.
  - (c) Each payment under clause 2 (b) must be accompanied by an application for the number of units which will be created on payment and the applicant will be entered on the register as the holder of the units created pursuant to clause 2 (b). All applications made are to be in the form set out in the First Schedule to this Deed or similar form.
  - (d) When in the opinion of the Trustee sufficient funds have been received for the purposes of the Trust the Trustee may so inform the unit holders and after such date no further units may be created except pursuant to and in conformity with the provisions of this Deed.
  - (e) All units issued by the Trustee pursuant to this Deed must be of the same class and with the same rights.

#### ISSUE OF FURTHER UNITS

- 3.
  - (a) Subject to the unanimous approval of the unit holders, the Trustee may raise further monies for the purposes of this Trust ('the Additional Sum') and the following provisions have effect:

	Office of State Revenue (NSW)
Client No:	133623040 4417
Duty:	\$500.00 Trans No: 8535849-001
Asst details:	TRUST DEED

- (i) the net value of the Trust Fund (excluding the Additional Sum) as determined by the Trustee in accordance with Australian accounting principles is to be ascertained;
  - (ii) the net value of the Trust Fund determined in accordance with clause (i) of this sub-clause is to be divided by the number of units in issue and the quotient adjusted to the nearest cent is the value of a unit in the Trust Fund ("New Unit Price").
  - (iii) the Additional Sum is to be divided by the New Unit Price and the resulting figure adjusted to the nearest whole number is the number of additional units ("New Units") which may be offered for subscription at the New Unit Price in accordance with the next sub-clause of this clause.
- (b) For the avoidance of doubt, any issue of further units pursuant to this clause 3 may only occur if the New Unit Price, determined pursuant to clause 3, of the units on issue immediately before the new issue of units is the same immediately after the issue of the New Units. For the avoidance of doubt, an issue of further units is absolutely prohibited if the issue of the further units will dilute the value of any units already on issue.
- (c) (i) New Units must (unless all the holders of the units on issue unanimously otherwise decide) be offered by the Trustee firstly for subscription at the New Unit Price to all the unit holders in proportion as nearly as may be to their then existing holdings of units.
- (ii) That offer will be made by notice to each unit holder specifying the number of New Units offered to that unit holder and the New Unit Price and shall carry the right to accept the offer in respect of any smaller number of units so offered and the New Unit Price shall carry the right to accept the offer in respect of any smaller number of units and shall limit the time (not being less than 30 days unless the offeree consents in writing to shorter period) within which the offer if not accepted shall be deemed to be declined.
- (iii) Any units declined or not accepted by any unit holder within such time must be offered in the same manner and in the said proportion to those unit holders who have accepted and thereafter units not accepted must be so offered to unit holders until finally it appears to the Trustee that no unit holder is willing to accept any further units. Any units so offered and which it appears to the Trustee no unit holder is willing to subscribe for may be disposed of as the Trustee thinks fit.
- (d) If at any time the value of a unit exceeds one dollar (\$1.00) the Trustee may, if it sees fit, without making any addition to the Trust Fund create such number of additional units as may be required for the purpose of reducing the value of each unit for the time being to one dollar (\$1.00) or any multiple of one dollar (\$1.00). Each unit holder on the date of such creation shall be entitled to that number of the additional units so created which the number of units held by that unit holder bears to the total number of units issued and outstanding immediately before the date of such creation and a new Certificate may be issued to each unit holder in respect of the additional units to which such holder is so entitled.

#### TRUST

4. The Trustee holds the Trust Fund in trust for the unit holders upon the terms and subject to the provisions of this Deed.

- (c) Security may be given by a legal mortgage or equitable fixed or floating mortgage or charge or assignment or lien or in any other form the Trustee determines.

#### **NO PRINCIPAL/AGENT RELATIONSHIP**

The Trustee is under no obligation to seek or obtain such consent.

The ATO is authorised by the *Income Tax Assessment Act 1936* and the *Income Tax Assessment Act 1997* to ask for information in this tax return. We need this information to help administer the tax laws. To make a correct Trustee Beneficiary (TB) statement you must quote the TFN of a resident trustee beneficiary of a closely held trust.

Note: If the trust needs to provide annual reports under the Trustee Beneficiary Rules or the TFN withholding rules you will be able to do so by completing the information in the statement of distribution.
