The Hains Super Fund

WOOLLOOWIN QLD 4030

Dear Trustees

The Hains Super Fund
Audit Engagement Letter

Objectives and Scope of the Audit

You have requested that we audit the financial statements of the SMSF for the year ended 30 June 2017. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

Our Responsibilities

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

Trustees' Responsibilities

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);
- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:
 - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;

- Additional information that we may request from the trustees for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

Audit of SIS Compliance

For the year ended 30 June 2017, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA, 13.22C

Report on Significant Matters

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

Quality Control

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your expressed consent.

Our audit files may, however, be subject to review as part of the quality control review program of Regulators and or Professional Bodies which monitors compliance with professional standards by its members.

NOTES FOR PERSONS SIGNING SUPER FUND INCOME TAX RETURNS

These notes should be read carefully by each person signing an income tax return, in light of their knowledge of their own affairs, to ensure there are no inaccuracies in the return.

RESPONSIBILITIES

Whilst we have exercised due care in preparing the returns from information supplied to us, the provisions of the *Income Tax Assessment Act* place the responsibility for the contents of the returns (including the need to obtain the necessary substantiation records) with the taxpayer. Accordingly, would you please check the details disclosed in the returns to satisfy yourselves that the returns are correct.

SELF ASSESSMENT

As you would be aware, self assessment system of income tax returns is now in full force for individuals. That is, the Australian Taxation Office will accept and issue assessments based on the income tax return that is lodged, generally without any query.

This does not mean the Australian Taxation Office accepts the information contained in the return and at a later date it may request further information in relation to the claims you have made in your return.

Self assessment has not only shortened lodgement deadlines but has greatly increased the burden of paperwork to be prepared and retained by tax agents. We are now required to prepare detailed work papers which must be retained on our files for production to the Australian Taxation Office if required at a future date.

TRUE AND FULL DISCLOSURE

Your attention is drawn to the following important considerations to ensure the correctness of each income tax return:

- that income from all sources has been disclosed;
- that all deductions claimed can be justified;
- that all deductions claimed for work, car and travel expenses
- can be substantiated by the required records and receipts;
- that all statements are correct and complete.

CAPITAL GAINS TAX AND OVERSEAS INCOME

Every sale of property, of any description, should be considered for the possible application of both income tax and capital gains tax.

The world-wide income of Australian resident taxpayers is now taxable in Australia with a credit allowed for the income tax paid in a foreign country on that income.

FALSE AND MISLEADING STATEMENTS

If an answer to a question or any statement made in an income tax return, or an attached schedule, appears to be incorrect, incomplete or misleading, please provide the information needed to amend the return.

Penalties may be imposed for an incorrect return up to double the amount of additional income tax subsequently assessed. These penalties may apply even if the error was made innocently. Alternatively, in more serious cases, prosecutions may be instituted under the *Taxation Administration Act 1953* and fines imposed by the Courts, if convicted.

RETENTION OF RECORDS

It is a requirement that you substantiate all deductions claimed in your income tax returns. This includes keeping original documentation to verify the expenditure claimed. This documentation must be retained for 7 years. You should ensure that you retain all the documentation in a safe and secure place in case the Australian Taxation Office wishes to review these documents.
