## Clarification about the name of your benchmark rate

The confirmation notice(s) you received for your Negotiator Investor account incorrectly described the benchmark rate that your interest is based on as the 'Overnight Cash Rate'. The benchmark rate that your interest rate is based on is the Cash Rate Target that is set by the Reserve Bank of Australia.

The benchmark rate that applies to your account has always been the Cash Rate Target and this has been used to calculate your interest rate.

There is no action required by you.
